

Application for a licence to drive Hackney Carriage Vehicles Knowledge Test Information

If you are applying for the 'first grant' of a licence to drive hackney carriage vehicles you will be required to take a knowledge test.

When you have submitted your application an appointment will be arranged for you to take this test and this document will provide you with the necessary information to help you prepare for the test.

The test that you will take will depend on which part of the Borough you are proposing to work in, and to which you have specified on your application.

- West (Ashton in Makerfield, Standish, Wigan etc..)
- East (Astley, Atherton, Golborne, Hindley, Leigh, Tyldesley etc..)

Knowledge tests are usually carried out every Thursday and begin at 10:00 a.m. Applicants sitting the test must report to the Town Hall, Hewlett Street, Wigan, WN1 1YN at 9.45 a.m. where you will be met by a member of staff from the Licensing Section.

- You must produce your UK driving licence (both parts if a photocard style licence) prior to the start of the test. If you don't you will be unable to carry out your test.
- If you fail to arrive on time you will not be permitted to enter the examination room and therefore will be unable to carry out your test.
- If you are unable to attend the test you must give at least 24 hours notice (not including weekends or bank holidays).

In the above circumstances a further fee may be payable before another test will be arranged.

If you fail the test you will be given the opportunity to re-sit the test until a pass mark is obtained. However please be advised that a further test fee will be payable.

If you have any questions about the knowledge test or require any additional support when undertaking the test please contact the Licensing Section on (01942) 404627 or email licensing@wigan.gov.uk

About the Test

The test is in two parts, the first being on the law and conditions relating to private hire and the second part of the test relates to knowledge of the Borough.

It is essential that you have a good knowledge of the law and conditions and of the local area to be able to pass this test.

You will be given 45 minutes in which to complete the test. You are **not** permitted to use an A to Z for this test.

The PASS mark for the test is 70%. However this is dependant on you meeting the qualifying criteria set in this document.

Part One – Law and Conditions

Part one of the test is in two sections as outlined below:-

(a) Compulsory Questions

You will be given 4 multiple choice questions in this section which must **all** be answered correctly. Should you fail to answer any of these 4 questions correctly then you will **automatically fail** the test and the rest of your test paper will not be marked.

Page 4 of this document sets out the 4 compulsory questions.

(b) Multiple Choice Questions

You will then be provided with 6 further multiple choice questions which will be chosen at random from a list of 28. You will only be required to answer 4 of these questions. If you do complete more than 4 questions only the first 4 will be marked. You are therefore advised to read all 6 questions and ensure you answer the ones you feel most confident with.

Pages 4 to 5 of this document sets out the list of multiple choice questions.

5 marks will be allocated to each question answered correctly in the above sections. You will have to read the contents of this document to find the answers to these questions.

Part Two - Knowledge of the Borough

Part two of the test is also in two sections as outlined below:-

(a) Popular Destinations

You will be required to locate 10 'popular destinations' from within the Borough which will be selected at random from a list. A full list of the destinations that may be on your test can be found on pages 5 to 6 of this document. Your answers should include the name of the road / street and the area they are in, for example: -

Alexandra Park = **Victoria Street, Newtown**

Leyland Park = **Park Road, Hindley**

2 marks will be allocated to each question answered correctly in this section. The full 2 marks cannot be allocated if you fail to include the area to which a destination is located. You need to obtain at least 10 marks in this section to qualify for a pass.

(b) Section (b) Routes

You will then be provided with 6 questions which will be chosen at random from a list. You should describe the shortest (not quickest) route between the 2 locations given, naming all roads, major junctions etc.. that you travel through, for example Hunter Road, Marsh Green to Wigan North Western Railway Station would be: -

- From Hunter Road turn right into Scot Lane. Continue into Robin Park Road to the traffic lights at Ormskirk Road & Warrington Road (Saddle Junction), turn left with the traffic flow, through the traffic lights to Wallgate, under the first railway bridge, continue along Wallgate under the second railway bridge, turn right and you have reached your destination.

You will only be required to answer 4 of these questions. If you do complete more than 4 questions only the first 4 will be marked. You are therefore advised to read all 6 questions and ensure you answer the ones you feel most confident with.

Details of the routes that may be on your test can be found on pages 6 to 7 of this document.

A maximum of 10 marks will be allocated to each question answered correctly in this section. The full 10 marks cannot be allocated if you fail to describe the correct route in full. You need to obtain at least 20 marks in this section to qualify for a pass.

The Law and Conditions

The Law

- **Production of licences**

Licence holders must produce the licences to an authorised officer or police constable if requested to do so (Sections 50, 53 & 56 LG(MP)A).

If the licence cannot be produced at the time of request it must be produced within 7 days, either at the Licensing Section or Wigan Police Station.

- **Obstruction of Authorised Officer or a Constable**

Under Section 73 of the Local Government (Miscellaneous Provisions) Act 1976 any person who:

- (a) wilfully obstructs an authorised officer or constable acting under the provisions of the Act; or
- (b) without reasonable cause fails to comply with any requirement properly made to him by such officer or constable under the Act; or
- (c) without reasonable cause fails to give such an officer or constable any other assistance or information which he may reasonably require of such person for the purpose of the performance of his function under the Act;

Shall be guilty of an offence.

Vehicles

- **Vehicle licences**

Every vehicle used as a hackney carriage must be licensed by the Council (Section 37 TPCA). A licence cannot be issued for a period exceeding a year (Section 43 TPCA).

Hackney carriage vehicles may be licensed for up to eight passengers.

- **Age and Type of Vehicles**

The Council's vehicle policy is currently under review and before purchasing a new vehicle or if in any doubt, applicants are recommended to contact the Licensing Section for advice.

Currently, vehicles will normally only be considered for licensing for hackney carriage purposes if they are no older than 6 years at time of initial application. Upon reaching 7 years of age a vehicle will normally no longer be considered for licensing unless it is a purpose built hackney carriage or wheelchair accessible vehicle, in which case this will be extended to 10 years.

Pending the outcome of the review of the vehicle licensing policy, vehicles exceeding the above age limits may be approved for licensing provided that they are in a satisfactory condition and able to fully comply with the council's vehicle inspection criteria.

The Council has a mixed fleet policy which means that most vehicles will be considered, saloons, MPV's and estate type vehicles. Importance is placed on the vehicle's condition and maintenance.

In general, vehicles must have engines capable of producing 90 bhp but where that cannot be proven or there is any doubt, then the engine capacity must be at least 1600cc.

▪ **Testing of vehicles**

All vehicles (whatever their age) must be tested and inspected before a licence can be issued to ensure that they are mechanically fit and of good appearance (Section 37 TPCA, Section 68 LG(MP)A).

An authorised officer or police constable has the power to inspect and test any licensed vehicle at any reasonable time (Section 68 LG(MP)A).

▪ **Vehicle insurance**

Before a vehicle licence can be issued a current certificate or cover note for "public hire" use must be produced (Section 50 LG(MP)A).

A certificate or cover note must be produced on demand to an authorised officer (Section 50 LG(MP)A).

▪ **Identification plates on vehicles**

A licensed vehicle must display the plate issued by the Council at all times (Section 51 TPCA).

The plate should be affixed to the outside of the carriage and be clearly visible on the outside of the rear of the carriage.

On revocation, suspension or expiry of the vehicle licence, the plate must be returned to the Council within 7 days (Section 58 LG(MP)A). The loss or damage of a plate must be reported immediately to the Council, where upon the payment of a fee a new plate can be issued.

▪ **Plying and standing for hire**

Licensed hackney carriages may ply for hire on any street within the Wigan Metropolitan Borough Area. They may only **stand** for hire on the appointed taxi stands (Section 38 TPCA).

To ply for hire outside the boundaries of this Borough is an offence (Section 45 TPCA).

▪ **Charging separate fares**

The practise of 'doubling up' of passengers and charging separately is illegal except in the following circumstances:-

The driver, proprietor or any other person must not organise people to share a vehicle whilst the vehicle is plying for hire on the streets or standing for hire at a rank. Only prospective passengers may agree amongst themselves to share and then approach the driver or proprietor with the request, AND;

If the journey begins and ends in the Wigan Metropolitan Borough the taxi meter must be used to determine the fare, and the fare charged in total must not exceed that finally displayed on the meter, OR,

If the journey begins or ends outside the Wigan Metropolitan Borough Area the charge is negotiable. If no negotiations have taken place then the meter must be used and no more fare than that recorded on it must be charged in total.

The amount of each separate fare must not in total exceed that which would normally be charged for the journey if it had been one fare. The driver is not in a position to decide what to charge each passenger. The passengers themselves must apportion the fare between themselves (Part 1 of Schedule 1 TA 1980), OR

All the passengers carried on the occasion in question **booked their journeys in advance**; and each of them consented, when booking his journey to sharing the use on that occasion with others on the basis that a separate fare would be payable by each passenger for his own journey on that occasion (Section 11, TA 1985).

A hackney carriage driver cannot charge a disabled person any extra because that person has a disability (e.g. wheelchair user).

A hackney carriage driver cannot refuse to take a fare unless they have a reasonable excuse to do so.

▪ **Fares**

In the following paragraphs “the district” means the whole of the Metropolitan Borough of Wigan.

- Journeys which begin and end within the district; and
- Journeys which begin within the district to other destinations outside the district boundary

For every such journey the taximeter must be engaged at the commencement of the journey and no more than is displayed on the meter can be charged.

If the taxi meter is not working the hackney carriage vehicle must be taken off the road until the taximeter has been repaired and tested.

▪ **Other journeys**

For journeys other than those above the fare is negotiable with the hirer, BUT if no negotiation is entered into, no fare greater than that displayed on the meter can be charged.

▪ **Hackney carriage used for private hire purposes**

No hackney carriage shall be used in the district under a contract or purported contract for private hire **except** at a rate of fares or charges not greater than that fixed by the byelaws and when any such hackney carriage is so used, the fare or charge shall be calculated from the point in the district at which the hirer commences his journey. (Section 67 LG (MP)A.)

Note: Whatever type of journey is being undertaken, the taximeter **must** be in operation during the hiring even if the fare has been negotiated.

▪ **Passengers**

The driver must not convey any other person other than with the consent of the hirer (Section 59TPCA).

- **Accidents and damage to vehicles**

Vehicles damaged as a result of an accident which materially affect the safety, performance or appearance of the vehicle must be reported to the Council by the proprietor or driver immediately and in any case within 72 hours (Section 50 LP(MP)A).

- **Defective tyre(s)**

If when driving or inspecting a hackney carriage vehicle it is found to have a defective tyre(s) the matter should immediately be reported to the owner and the vehicle taken off the road until a new tyre has been fitted.

- **Advertisements on vehicles**

Where the vehicle is a saloon car, there may be displayed on the side doors of the vehicle a commercial advertisement that has been approved in advance in writing by the Council.

Where the vehicle is a purpose built hackney carriage or a vehicle approved by the Licensing Section as a disabled access vehicle, there may be displayed, a commercial advertisement up to full vehicle livery that has been approved in advance in writing by the Council.

- **M.O.T. certificate exemptions for vehicles**

Licensed vehicles are exempt from the requirements to possess an M.O.T. certificate.

If licence holders are requested to produce an M.O.T. certificate, by the police, the licence issued by the Council should be produced instead.

When applying for vehicle tax, the vehicle licence must be produced at Vehicle Licensing Centres or Post Offices.

N.B. Once the Council licence has expired, is suspended, revoked or cancelled, the vehicle reverts to the status of an ordinary private car and the normal traffic laws apply i.e. an M.O.T will be required before the vehicle can be used on a road.

- **Wearing seatbelts**

Hackney carriage drivers are exempt from wearing seatbelts (under Motor Vehicles (Wearing of Seatbelts) Regulations 1993) when a fare paying passenger is in the vehicle and not at any other time. It should also be borne in mind that should a child under 14 be a passenger in the vehicle then it is the driver's responsibility to ensure that the child is wearing a seatbelt or other appropriate restraining device.

- **Suspension and revocation of vehicle licences**

The Council may suspend, revoke or refuse to renew a licence on the following grounds: -

- (a) The vehicle is unfit.
- (b) The commission of an offence under the LG(MP)A or TPCA.
- (c) Any other reasonable cause (Section 60 LG(MP)A).

A licence may be suspended by an authorised officer or police constable if he considers the vehicle unfit (Section 68 LG(MP)A).

On suspension, revocation or expiry of the licence, the plate must be returned to the Council within seven days (Section 58 LG(MP)A).

- **Transfer of ownership of vehicles**

Where the ownership of a licensed vehicle is transferred, the Council must be informed, of this within 14 days in writing, by the person listed by the Council as owner, stating the name and address of the new owner (Section 49 LG(MP)A).

- **Sounding the horn**

The Highway Code and Regulation 99 Construction and Use Regulations state:

“The Horn - Use only when your vehicle is moving and you need to warn other road users of your presence. Never sound your horn aggressively.”

You must not use your horn:

- (a) while stationary on a road and
- (b) when driving in a built-up area between the hours of 11.30 p.m. and 7.00 a.m. except when another vehicle poses a danger.

- **Smoking**

On July 1st 2007, England introduced a new law to make virtually all enclosed public places and workplaces in England smokefree. A smokefree England ensures a healthier environment, so everyone can socialise, relax, travel, shop and work free from secondhand smoke.

Under the smokefree law, all vehicles used for public transport are required to be smokefree **at all times**. This will mean that a member of the public can be sure that the public transport they use will always be free from hazardous secondhand smoke.

The Smoke-free (Exemptions and Vehicles) Regulations 2007: -

11.—(1) Subject to the following paragraphs of this regulation, an enclosed vehicle and any enclosed part of a vehicle is smoke-free if it is used: -

- (a) by members of the public or a section of the public (whether or not for reward or hire);
- or

The smokefree law applies to hackney carriage vehicles and therefore such vehicles should remain smokefree **at all times**, which includes times when the vehicle is not being used for hire.

Drivers

- **Drivers of licensed vehicle must be licensed**

Once a vehicle is licensed as a hackney carriage, **every** driver of that vehicle, whether it is being used for business or pleasure, must possess a current hackney carriage drivers licence (Section 45 TPCA).

- **Driver licences**

Every driver of a taxi must be licensed by the Council (Section 46 TPCA).

A District Council cannot (Section 51 LG(MP)A) grant a licence unless it is satisfied that the applicant:-

- (a) is a ‘fit and proper person’; and
- (b) has held a full U.K. driving licence for at least 12 months, for motor cars;

The applicant must also be medically fit to drive a hackney carriage (Section 57 and 59 LG(MP)A). In addition, it is a requirement of the Council that a driver must be at least 21 years old.

A licence (if granted) is valid for 12 months from the date of issue and is renewable each year thereafter before the expiry date.

▪ **Unlicensed drivers**

It is an offence to employ an unlicensed driver (Section 47 TPCA).

▪ **Production of licences**

Licence holders must produce the licences to an authorised officer or police constable if requested to do so (Section 50 and 53 LG(MP)A).

▪ **Driver's badges**

All drivers must wear the badge provided, when driving a taxi, in a position so as to be plainly visible (B 14).

If you lose your hackney carriage driver badge you must contact the Licensing Section to make arrangements to obtain a replacement. You should not continue to drive a licensed vehicle until a replacement has been obtained.
