

## **Determined oversubscription criteria for community and voluntary controlled primary schools**

Where a school receives more applications than places available, the following admission criteria will be applied once places have first been allocated to pupils who have a statement of special educational needs which names the school:

1. Children in public care
2. Children whose older brothers or sisters attend the school and who will still be there at the time of admission.
3. Children living nearest to the school.

### **Tie-breaker**

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to a central point at the school using a Geographical Information System (GIS) which is based on ordnance survey.

Notes:

### **Brothers and sisters**

We will include:

- half-brothers and half-sisters;
- stepbrothers and stepsisters; and
- foster brothers and foster sisters;

### **who live at the same address as part of the same family unit.**

When considering your child's application, we will use the permanent home address we have for you at the closing date for applications. If parents are separated and the child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who receives the Child Benefit for this.

### **Waiting lists**

Places may become available at a school after the offer date on 30 April 2010. To decide which children have these place, we will:

- put all children who we refused a place at one of their preferences on the waiting list for the school;
- keep the list in priority order, decided by the oversubscription criteria for the school only;
- offer places that become available to the next child on the waiting list; and
- keep the waiting list until the end of the autumn term 2010.
