

Application for an 'H' Bar Marking

I wish to apply to the Highway Authority for the provision of an 'H' bar marking in front of my drive(s).

I have enclosed a cheque for £45.10 made payable to 'Wigan Council' and would be grateful if you would arrange for the marking to be put in place as soon as possible.

Name: _____

Address: _____

Town: _____ Postcode: _____

Daytime phone number: _____ Mobile number: _____

Signed: _____ Date: _____

Please return to:

Traffic Group
Places Directorate - Economy, Waste and Infrastructure
Wigan Council
PO Box 100
Wigan
WN1 3DS.

Guidance Note for Applicants

Many drivers are not aware that it is an offence to park in front of a private drive. The Highway Authority can assist you by arranging for a white 'H' bar marking to be placed in front of your drive. Our Civil Enforcement Officers (formerly known as Traffic Wardens) can enforce the H-bar marking upon your request. Please note that your own vehicles would be liable to a penalty charge notice if you parked them across your own drive.

The Highway Authority can provide an 'H' bar marking for a cost of £45.10. This fee covers the cost of arranging the work to be carried out and for future maintenance of the marking. Please note that you can only have an 'H' bar marking if you already have an approved footway crossing for your vehicle.
