

## The Local Government (Access to Information) Act 1985

### List of background papers for Planning and Advertisement applications on the Agenda of the Planning Committee

The background papers for the Planning and Advertisement applications are:

- 1 **The appropriate Development Information Folder:** This is a file with the same reference number as that shown on the Agenda for the application. It contains the following documents:
  - a the application forms;
  - b plans of the proposed development;
  - c site plans;
  - d certificate relating to ownership of the site;
  - e consultation letters and replies to and from statutory consultees and bodies;
  - f letters and documents from interested parties;
  - g memoranda of consultation and replies to and from departments of the council.
- 2 Any previous Development Information Folders referred to in the Schedule or Reports in item 2 on the Agenda for the particular application or in the Development Information Folder specified above.
- 3 **Unitary Development Plan:** Adopted 30 January 1996.
- 4 The draft Replacement Unitary Development Plan is now a material consideration.
- 5 Regional Planning Guidance for the North West – issued 31 March 2003
- 6 Applications with background papers additional to those specified in 1 to 3 above are set out in the following table.

These documents may be inspected at the Environmental Services Department, Civic Buildings, New Market Street, Wigan.

#### **Applications with additional background papers (See 6 above)**
