

Hazardous substances and controlled quantities

Environmental Services Department

1 Applicant (block capitals please)

Full name _____

Address _____

Postcode _____

Telephone _____

2 Agent (block capitals please)

Full name _____

Address _____

Postcode _____

Contact name _____

Agent reference number _____

Telephone _____

3 Full address or location of application site:

4 Substance(s) covered by application

Name	Entry number in Schedule 1 to the 1992 Regulations (from list at the end of the form)	Maximum quantity proposed to be present (in tonnes)*

* or kilograms in the case of substances with entry numbers 21, 26 or 34.

5 Manner in which substance(s) to be kept and used

Provide the following information for each substance covered by the application (referring to the substance location plan where appropriate).

A Tick one box below to show whether the substance will be present for storage only or will be stored and involved in a manufacturing, treatment or other industrial process:

Substance entry number	Storage only	Stored and involved in industrial process

B For each vessel to be used for **storing** the substance(s), give the following information:

Vessel number*	Entry number of substance(s) to be stored in vessel	Buried (yes/no)	Installed above ground (yes**/no)	Mounded (yes/no)	Maximum capacity in cubic metres	Highest vessel design temperature (°C)	Highest vessel design pressure (bar absolute)

* identify by reference to substance location plan.

** if 'yes', specify whether or not it will be provided with full secondary containment.

C State for each substance the largest size, capacity in cubic metres, of any **movable** container to be used for that substance.

- D Where the substance is to be used in a **manufacturing, treatment or other industrial process(es)**, give a general description of the process(es), describe the major items of plant which will contain the substance, and state the maximum quantity (in tonnes) which is liable to be present in the major items of the plant, and the maximum temperature (°C) and the pressure (bar absolute) at which the substance is liable to be present:

Substance entry number	Description of process(es)	Major items of plant*	Maximum quantity in tonnes	Maximum temperature (°C)	Maximum pressure (bar absolute)

* identify by reference to substance location plan.

6 Additional information

A Has any application for hazardous substance consent or planning permission relating to the application site been made which has not yet been determined?
Yes/No

B Will any such application be submitted at the same time as this application?
Yes/No

If you have answered 'Yes' to either of the above questions, give sufficient details for the application(s) to be identified.

C **Plans** Please list the maps or plans or any explanatory scale drawing of plant or buildings submitted with this application.

D Give any further information which you consider to be relevant to the determination of this application.

I/We hereby apply for hazardous substances consent in accordance with the proposals described in the application.

Signed _____
