

Trading Standards Fair Play Charter

List of members

All garages named in this list are current members of the Fair Play Charter. While every effort is made to ensure that members are conforming to the terms and conditions of the scheme, the authorities operating the scheme cannot be held liable for the quality of work carried out, services delivered or statements made by individual members. Non membership of the scheme is in no way a reflection on the standards of work or service you may receive from a garage.
