Dear Parent or Guardian

This booklet tells you about the arrangements for transferring children to secondary school for the school year beginning in September 2012. This is an important time for parents and children and we want to help as much as we can.

This booklet contains a lot of information which I hope will help you make your application and, whenever possible, avoid disappointment. It is important you take the time to read **all** the information carefully before you apply, even if you have already decided which schools you prefer.

We will try to give you your preferred school, but schools have a limited number of places. If we receive more applications than places, the admission criteria is used to decide who will get a place. The admission numbers and admission criteria for Wigan schools are given in this booklet.

Our website at www.wigan.gov.uk has a link to school admissions and other useful sites. You can use this site to apply for a secondary school place online. There are more details about this in the booklet.

Each school also produces its own prospectus which contains a lot of information about that school. It is useful to visit schools before you apply, and most schools will be holding open days or evenings in September or October 2011. If you cannot go to these or want any information about individual schools, please contact the headteacher at that school, who will be pleased to help.

Our School Places Team can help you with any questions you have about school admissions. You can contact the team on 01942 486037, 01942 486038 or 01942 486039.

Finally, please make sure you make your online application or fill in and return the application form by the closing date on 31 October 2011. If you do not apply on time, you are less likely to get a place at the school you want.

Yours faithfully

Wigan Admission Forum

Dear Parents

Wigan Admission Forum

The current Wigan Admission Forum has existed since 2003. The current membership includes Wigan Council representatives, head teachers, Diocesan Board representatives, parent governor representatives, and representatives of the local community and local employers.

For the 2012 admissions, the Wigan Admission Forum reviewed the admission arrangements for all schools in the Wigan area. We are satisfied that these arrangements meet the compulsory requirements of the Admissions Code 2010.

In 2008, the equal-preferences system of considering and allocating secondary-school places was introduced across the country. This system makes sure that, if you miss out at your first-preference school, you still have a fair chance of being offered a place at your second- or third-preference schools. There is more information about the equal-preference system on page 9 of this booklet.

We would like to take this opportunity to encourage you to give three preferences of school on your application form. This will give you the best chance of gaining a place at one of your preferred schools. In 2011, 99% of Wigan residents were offered a place at one of their preferred schools.

Yours sincerely

Mr Tom Frost
Chair of Wigan Admission Forum

The information in this booklet was correct at the time it was printed. If there are any changes, we will put a notice on our website at www.wigan.gov.uk and take appropriate steps to let you know.

Timetable for applying for a place at secondary school

September 2011

You will receive an application pack. We will send parents of children in Year 6 who live in Wigan:

- a copy of this booklet;

- the Wigan Council secondary-school application form; and
- an envelope to return your application.

If your child lives in another local authority, that local authority will send you details of how to apply for a secondary school.

September 2011 to 31 October 2011

Decide which three schools you want to apply for in order of priority.

Please read this booklet very carefully because it:

- explains how we decide which school to offer your child; and
- gives information to help you decide if you are likely to get a place at a particular school.

See page 18 for details of how to get more information about secondary schools.

How to apply for a secondary-school place

To be considered for your preferred secondary-schools, you must apply by filling in the **Wigan Council secondary-school application form** or **by applying online**. The Wigan Council secondary-school application form and the service to apply online allow you to give three preferences of school in order of priority. You will only be considered for schools you name as a preference.

Preferences for voluntary-aided (church) schools and supplementary information forms

If any of your preferred schools is a voluntary-aided (church) school, we strongly advise you to fill in the school's own supplementary information form as well as the Wigan Council secondary-school application form. If you do not fill in the school's own supplementary information form, the school will not have all the information they need to consider your application against their faith criteria and your child may be refused a place.

You can get a copy of the supplementary information form:

- by downloading one from our website;
- from the school; and
- by calling the School Places Team on 01942 486037, 486038,486039.

Returning your Wigan Council secondary-school application form and supplementary information forms

If your child goes to a Wigan primary school, please return your Wigan Council secondary-school application form, together with any supplementary information forms for voluntary-aided (church) schools, to your child's primary school. If you have applied online, you only need to return any supplementary information forms for voluntary-aided (church) schools to your child's primary school.

If your child does not go to a Wigan primary school, please return your secondary-school application form, together with any supplementary information forms, to The School Places Team, People Directorate: Children, Adults and Families, Progress House, Westwood Park Drive, Wigan, WN3 4HH. We have included an envelope for you to use. If you have applied online, you only need to return any supplementary information forms.

You will receive a receipt for your application. Please keep this until you know the outcome of your application.

31 October 2011

This is the closing date for applications. We will consider only applications we receive by the closing date as on-time applications.

October 2011 to February 2012

We will process applications.

1 March 2012

We will write to tell you the school we are offering your child. We will send the letter by first-class post.

Late applications

It is important that you return your application form or apply online before the closing date on **31 October 2011**.

We will deal with all on-time applications first and at the same time.

If your application is late, we will only look at it after we have dealt with the applications we receive on time. **This means that you are less likely to get a place at the school you want.**

If you apply late, we cannot guarantee we will write to you by 1 March 2012. However, we will write to you as soon as we can after this date.

If you have not been able to apply for a school place by the closing date or even after school places have been allocated, please contact the School Places Team, who will be happy to help.

If you do not apply for a place

If you do not apply for a place, we will offer your child a place at the nearest school to your home with a place available. We will only do this if your child lives in Wigan.

This may not be a school that is near to you because we will offer places first to children whose applications we receive on time. All places at your local secondary schools may already have been filled.

Types of secondary school in Wigan

In Wigan there is a range of schools available. Each type of school has an admission authority that is responsible for considering applications.

Community schools

Wigan Council are the admission authority for community schools and Wigan Council decide who will be offered places if there are more applications than the number of places available. The admission criteria for community schools are on pages 26 to 44 of this booklet.

Foundation schools

The governing body of a foundation school decides who will be offered places if there are more applications than the number of places available.

The admissions criteria for foundation schools are given on pages 45 to 56 of this booklet.

Academies

The governing body of an academy decide who will be offered a place if there are more applications than places.

Voluntary-aided (church) schools

The governing bodies of voluntary-aided schools decide who will be offered a place if there are more applications than places.

The admission criteria for voluntary-aided secondary schools usually take account of whether the child is a member of a church or goes to church (or both). They ask for information about this on their own supplementary information form.

If you want a place at a voluntary-aided school, we strongly recommend that you:

- fill in the school's own supplementary information form; and
- return this to the School Places Team by the closing date of 31 October 2011.

We strongly advise you to fill in a supplementary information form as well as the Wigan Council secondary-school application form for each voluntary-aided school you name, whether it is your first, second or third preference.

If your child goes to a voluntary-aided primary school, they are not guaranteed a place at a voluntary-aided secondary-school. You should read the admission criteria carefully.

Important information about how we decide which school to offer your child

We will consider the following things when deciding which school to offer your child a place at:

- The three school preferences you name on the application form
- The admission number for the schools
- The admission criteria for the schools
- The order of priority you have given schools on your application

When we consider on-time applications, we will use only the information that is correct on your application form at the closing date for applications.

Giving preferences for school places

By law, we must use the equal-preference system when considering and allocating school places. The equal-preference system makes sure that, if you miss out at your first-preference school, you still have a fair chance of being offered a place at your second- or third-preference schools. We explain how the system works on page 9. This is why we advise you to give three preferences.

When you give preferences, it is important to make a realistic assessment of your child's chances of gaining a place. The information in this booklet will help you to do this. If you need more advice, please contact the School Places Team on 01942 486037.

Children in public care (looked-after children)

If you are responsible for a child in public care, please let us know on your application.

Children with a statement of special educational needs

Children with a statement of special educational needs which names the school will be offered a place without using the admission criteria. This is a legal requirement and applies to all types of school.

Admission number

Every school has an admission number. This is the number of places in a school year group. The admission numbers for all Wigan secondary schools, and information on each school, are given on pages 26 to 82 of this booklet.

Admission criteria

When there are more applications than places for a school, we say the school is 'oversubscribed'.

If there are more applications than the admission number, a fixed set of rules are used to decide which children will be offered a place. These rules are called the 'admission criteria'.

The admission criteria for all Wigan secondary schools are given on pages 26 to 82 in this booklet.

You will see that the criteria are numbered. Children in category one will have first priority for places, children in category two will be considered next and so on through the criteria until there are no places left.

Your child's home address

Many schools use children's addresses when deciding who to offer places to.

You must give the correct permanent address. This is where the child and parent, or the person who has care of the child or has parental responsibility, normally live.

If you are separated and your child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who gets the Child Benefit for this.

We carry out checks to confirm that addresses are genuine. If we are unable to confirm your address, or any issues are raised relating to your address, we may carry out further checks.

We may ask to see two forms of evidence of your permanent address at the closing date for applications (photocopies are acceptable). This may include:

- proof of where you are registered for council tax;
- your television licence;
- your current driving licence;
- a utility bill (gas, electricity or water) covering the closing date for applications;
- proof of your Child Benefit;
- proof of your Child Tax Credits.

Any evidence you provide must show that the parent or main carer lives at this address at the closing date for applications.

If your address changes temporarily (for example, if you go to live with a relative), you cannot use this address.

When considering your child's application, we use the permanent home address we have for you at the closing date for applications.

If you move house after the closing date for applications but before we send allocation letters to parents, you must tell the School Places Team in writing. We cannot use your new address to consider your application from but we will make sure we write to you at the correct address.

False information

If you give any false information to get a school place (for example, if you give the incorrect permanent address at the closing date for applications), we will withdraw the offer and your child will lose their place.

If you suspect that someone has given false information to get a school place please contact the School Places Team.

The equal-preference system and the priority order of schools on your application

By law, we must use the equal-preference system when considering your application for a school place.

We offer places by doing the following.

- First, we rank all first-, second- and third-preference applications by using the school's admission criteria only. This process means that some second- and third-preference applications will be ranked higher than some first-preference applications.
- We use schools' admission numbers to find out how many children can be offered a place at each school.
- We then offer places to all children whose first preference we can meet, and remove their second and third preferences from the list.
- We repeat this process for second preferences and then third preferences.

This process means that, if you miss out on your first-preference school, you still have a fair chance of being offered a place at your second- or third-preference schools.

Voluntary-aided (church) schools

The governors of voluntary-aided (church) schools rank applications using their admission criteria. They then give this information to the School Places Team who offer a single place using the process described above.

Tie-breaker

When we use the admission criteria for community schools, more children might fall into a particular category than the number of places left. If this happens, we use the 'tie-breaker' to decide who to give a place to.

At community schools, we will give places to the children who live nearest to the school. We measure this distance:

- in a straight line; and
- using a geographical information system (GIS) which is based on Ordnance Survey maps. We will measure from your child's home address to a central point on the school site. If you want more information about the point we measure to at community schools, please contact the School Places Team on 01942 486037.

If we offer the last place available at a school to one of twins (or triplets, and so on), our policy is to admit the other twin or triplets too.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases, we will use a system to randomly pick who we will offer a place. If you want more information on this policy, please contact the School Places Team.

The tie-breakers for voluntary-aided and foundation schools, and the admission criteria for each school, are given on pages 45 to 82 of this booklet.

Brothers and sisters

The admission criteria for community schools have children who will have brothers or sisters at the school when they start as category two.

We will include:

- half-brothers and half-sisters;
- stepbrothers and stepsisters; and
- foster brothers and foster sisters;

who live at the same address as part of the same family unit.

Voluntary-aided (church) schools

You should remember that some voluntary-aided secondary schools may have different requirements than Wigan Council. You should check each school's admission arrangements for details.

If you want more information about each school's admission policy, your right to appeal against an admission decision, or applying for a school place part-way through the year, you can get details by contacting the school direct.

Waiting lists

Places may become available at a school after the offer date of 1 March 2012. All admission authorities must have a waiting list until the end of the autumn term in 2012.

For community schools we will:

- put all children who we refuse a place at one of their preferences on the waiting list for the school;
- keep the list in priority order, **decided by the admission criteria for the school only**;
- offer any places that become available to the next child on the waiting list; and
- maintain the waiting list until the end of the autumn term in 2012.

Important information about the waiting list

We cannot take into account the length of time a child's name has been on the waiting list, only the admission criteria for the school. This means that your child's position on the list may change if another parent asks to be put on the list and their child has higher priority in the admissions criteria.

If you tell us, after the closing date for applications, that your address has changed, and you provide documents to prove this, we will take this into account for the purposes of the waiting list.

Waiting lists for foundation schools

Each foundation school includes details of their waiting-list policy in their admission arrangements. Wigan Council will maintain the waiting list on behalf of the governing bodies of the following foundation schools:

- Hindley High School
- The Byrchall High School
- Abraham Guest High School
- Lowton High School
- Golborne High School

Waiting lists for voluntary-aided schools

Each voluntary-aided school includes details of their waiting-list policy in their admission arrangements. The governing body of the school will maintain the waiting list. If you are refused a place at a voluntary-aided school, please contact the school to confirm that your child's name is on the waiting list.

Important questions answered

When will my child transfer to secondary school?

If your child will turn 11 between 1 September 2011 and 31 August 2012, he or she will transfer to secondary school at the start of the new school year in September 2012.

Who will deal with my application?

The School Places Team co-ordinates admissions to all secondary schools in Wigan.

We decide which children will be offered places at community secondary schools. These schools are listed on pages 26 to 44 of this booklet.

The governing body of the school decides which children will be offered places at foundation and voluntary-aided (church) high schools. These schools are listed on pages 45 to 82 of this booklet.

Do I have to give three school preferences?

You should give three preferences. If you do not:

- it does not increase your chance of gaining a place at your first-preference school; and
- we do not know which other schools you are interested in.

If we cannot offer your first-preference school, we can only offer the nearest school to your child's home with a spare place. You may miss out on a place at another school you prefer.

Repeating the name of one school three times on your application does not improve your chances of a place.

Can I change my mind after I have sent my application?

Changing your mind up to the closing date

- If you change your mind about the names or order of schools you have put on the application form, you must tell the School Places Team by letter or e-mail before the closing date on 31 October 2011.
- If you apply online, you can change your preference at any time up to the closing date by amending your application. You must follow the instructions given on the online service to make sure your preferences have been changed.

Changing your mind after the closing date (31 October 2011)

If you change your mind about the preferences or the order of preferences after the closing date, you must tell the School Places Team by letter or e-mail. However, we will treat this as a late application (see page 5), and it may reduce your chances of getting a place at the school you want.

What happens if you cannot offer a place at any of the schools I have asked for?

If your child lives in Wigan, we will offer a place at the nearest Wigan school to your home address with an available place.

If your child does not live in Wigan, the local authority in their area will offer them a place.

My child has a statement of special educational needs. How do I apply for a place at secondary school?

Your child's primary school will arrange a transition review to discuss their move into secondary education in either:

- the summer term when they are in Year 5; or
- the autumn term when they are in Year 6.

If your child goes to a mainstream primary school

We will send you an application pack at the same time as everyone else. You should apply in the usual way. It is important that you apply by the closing date of **31 October 2011**.

Wigan Council is committed to meeting the needs of all children with statements of special educational needs in mainstream schools. If it is felt that a special school may be more appropriate, this would normally be discussed at the transition review meeting.

It is important that you still apply for a mainstream school even if a place at a special school is being considered for your child. This is so you have a better chance of getting a place at the mainstream school you prefer if your child does not transfer to a special school.

If your child goes to a special school

If you are considering transferring your child to a mainstream secondary school, you will normally discuss this at the transition review meetings.

You can get advice from your child's current school or by calling our Access and Inclusion Team on 01942 486132.

There is a list of community special schools on page 89 of this booklet.

Why do you give information about admissions to each school last year?

We give details of how we offered places last year to help explain how the available places were allocated. You may want to use this information as a guide to whether you are likely to gain a place at one of your preferred schools. The information is only a guide because the number of applications for a school is different each year.

Can I apply for a place at a school in a different local authority?

You can apply for schools in any local authority. Other local authorities produce their own admission booklets with details of their schools, and will be pleased to send you a copy. There is a list of our neighbouring local authorities, with contact phone numbers, on page 2 of this booklet.

If your child lives in Wigan and you want to apply for a place at a school in another local authority, you can apply using our online application service or:

- fill in the Wigan Council secondary-school application form we sent with this booklet;
- put the name of the other local-authority school on the application form; and
- return the application form to us, either through your child's primary school or by post **by the closing date of 31 October 2011**.

Whichever way you apply, we will deal with the other local authority for you.

Please make sure you fill in and return to the school any supplementary information form for a voluntary-aided school, as well as returning the filled-in Wigan Council secondary-school application form.

I do not live in Wigan. Can I apply for a place at a Wigan school for my child?

Anyone can apply for a place in a Wigan school. However, you should look at the admission criteria to see if you have a reasonable chance of gaining a place.

Your own local authority will have sent you their application pack. If you want a place at a Wigan school:

- put the name of the school on your own local authority's secondary school application form; and
- return the form to your own local authority by the closing date.

Your local authority will deal with us on your behalf.

If any of your preferences is for a Wigan voluntary-aided (church) school, please get a copy of the supplementary information form and return it to the school.

Admission appeals

You can appeal to an independent appeal panel if the local authority or the school governing body refuse a place at any school you have applied for.

If we refuse your child a place at a school, we will write to tell you:

- why we refused your application;
- how to appeal;
- the time limit for sending your appeal (you will have at least 14 days from the date of the letter);
- where to send the appeal; and
- who to contact if you need any help.

Sometimes, places become available at a school before the admission appeals have been heard. If this happens, we will offer places to the next child on the waiting list. If you appeal, it does not affect your child's place on the waiting list.

Before you decide if you want to appeal, you will probably want to think about:

- the school's published admissions criteria for admitting pupils;
- your reasons for wanting your child to go to the school;
- your child's view on which school he or she should go to; and
- how strong a case you have.

You may also want to visit the school which your child has been offered.

The appeal hearing

Before the hearing

We will tell you the date, time and place of the hearing 10 school days before.

Seven days before the hearing, we or the school will send you a document called the 'Statement of Case'. This sets out the reasons why your child was not offered a place. The appeal panel will also get a copy of this.

The panel also receives all the documents you have sent in to support your child's appeal. If you have any more information or supporting documents that you want the panel to consider, please send these to The School Places Team as soon as possible. This will allow the process to run smoothly and help avoid delays on the day. We would appreciate it if you could provide eight copies of any extra paperwork you bring on the day.

The appeal panel

The panel will have three or five people on it. They are completely independent of us and the school you are appealing for. The appeal panel will also have a clerk.

At the appeal hearing

We strongly advise you to go to the appeal hearing if you can. You will not usually need legal representation (such as a solicitor) but you do have the right to bring a legal adviser or a friend along for support.

There will be a Wigan Council or school representative at the hearing to give their reasons for refusing your child a place and you can ask them questions about this. You will be able to put your case for your child to the panel. You will probably want to refer back to your original reasons for applying for that school.

If you cannot go to the appeal hearing, the panel will consider all the information you have sent in writing, in your absence.

At the end of the hearing, the clerk should be able to tell you when you can expect to receive the panel's decision.

You will receive the panel's decision by letter.

Admission authorities must keep to the decisions of admissions appeals panels. The decisions can only be overturned by the courts.

After the hearing

The parents or guardians of children who have been unsuccessful in their admission appeal may want to consider the following options.

1 Complaints to the Local Government Ombudsman

The Local Government Ombudsman can investigate written complaints about bad administration by an admissions appeal panel. This is not a right to appeal and has to relate to issues such as failing to follow correct procedures or failing to act

independently and fairly. You cannot complain just on the basis that you think an admissions decision is wrong.

You can contact the Ombudsman at:

Local Government Ombudsman
Beverley House
17 Shipton Road
York
YO30 5FZ.

2 Complaints to the Secretary of State

The Secretary of State cannot review or overturn decisions of individual appeals panels but can consider:

- whether we set up the appeal panel correctly, with the correct number and properly appointed types of panel members; and
- whether the admission authority or governing body has acted reasonably in running the appeal meeting and handling the decision-making process.

You can contact the Secretary of State for Education at:

Sanctuary Buildings
Great Smith Street
Westminster
London
SW1P 2BT.

3 Judicial review

You can ask for a judicial review if you consider that the decision wasn't properly made or was 'unreasonable'. An 'unreasonable' decision is one that no sensible authority acting properly would make. You will usually have to contact a solicitor.

Further appeals

We will normally only allow parents to have one appeal to a particular school in any school year.

We will only consider an application for the same school in the same school year in very exceptional situations, such as a significant, material change in your circumstances or those of your child. A material change is something substantial, such as a change of address from a different area which would change the priority of your application. The fact that a pupil is distressed at not being offered a place at the school they wanted is not a significant and material change in circumstances.

Bus services

School bus services are managed by Transport for Greater Manchester, formerly known as Greater Manchester Passenger Transport Executive (GMPTE). Transport for Greater Manchester charges half the adult rate for children aged 11 to 16 who have an IGO pass, children will be charged £1 for a single journey of up to one mile, £1.20 for a single journey of up to five miles, £2.00 for the return journey of up to five miles, £1.40 for a single journey over 5 miles and £2.40 for the return journey of over five miles. From 16th May 2011 if your child is aged 11 to 16 they will need an IGO pass to pay half the adult rate on buses in Greater Manchester. Otherwise they will be charged the full adult rate.

You can get details of school routes and other bus services in any of the following ways.

- By visiting our website, which has links to other sites, including transport (www.wigan.gov.uk).
- You can get leaflets from Wigan and Leigh bus stations.
- By phoning Transport for Greater Manchester on 0161 244 1000.
- By visiting Transport for Greater Manchester's website at www.tfgm.com.

Help with travel

We will provide a free travel pass for a child aged 11 to 16 who has to travel more than three miles to their nearest suitable school. We will measure this by a reasonable walking route as decided by the Integrated Transport Unit. We will not offer help if your child goes to a school more than three miles away and there is a school nearer.

We will provide a free travel pass for a child aged 11 to 16 who is eligible for free school meals or whose parents or guardians receive the maximum level of Working Tax Credit, and if the child attends:

- any one of the three nearest available schools, where the walking distance is between two and six miles; or
- the nearest available school that they have chosen because of their religion or belief, where this is between two and fifteen miles away.

How we will measure the distances

We will measure:

- the two mile and three mile limit along the nearest and shortest reasonable walking route; and
- the six mile limit and fifteen mile limit along road routes.

The measurement of the walking distance is not necessarily the shortest distance by road. It is measured by the shortest route along which a child, accompanied as necessary, may walk with reasonable safety. As such, the route measured may include, bridleways and other pathways, as well as recognised roads.

You can get claim forms from the school or the Integrated Transport Unit.

If you have any questions, please contact the Integrated Transport Unit on 01942 749602.

If you want to check if we would offer help before you apply for a particular school, please contact the Integrated Transport Unit.

Sustainable school travel

The school run adds an estimated 20% of traffic to early-morning congestion. For many parents, children and young people, the journey to school or college is ideally suited for walking, cycling and using public transport.

Our 'Sustainable Modes of Travel Strategy' is aimed at encouraging children and young people in the borough to change their behaviour and attitudes towards school travel. Section 508A of the Education Act gives all local authorities a general duty to promote the use of sustainable (environmentally friendly) travel and transport for children and young people of sixth-form age and below. This covers not only those children and young people who live in Wigan borough, but also those who live outside the area and travel into Wigan to receive education and training.

The Local Transport Plan recognises the benefits for the environment, as well as to children's health and well-being in encouraging walking and cycling. It also aims to tackle the issue of local congestion around schools and make education easier for children and young people to get access to.

School travel map

The first step to providing sustainable school travel was setting up our school travel interactive service (see www.wigan.gov.uk/schooltravel), which provides information for every school and college in the borough on choosing different methods of transport. www.wigan.gov.uk/schooltravel

Every school in the borough has already received a map with details of options for travelling to school, so that children and parents can make real choices about how they travel. The map includes locations for the following.

- All schools
- School crossing patrols
- Pedestrian crossing facilities
- Bus stops
- School bus routes
- Cycle routes (information is also provided on where cycle lockers and other cycling facilities are located at schools)

We are continuously developing and improving the information we provide and, in time, we hope to include whether the school has:

- an up to date travel plan;

- a 20 mph (miles per hour) zone;
- routes off the main road which are easy to access;
- safer alternatives to the congested highway;
- a 'Safer Routes to School' scheme; and

There are a number of ways you can help, most importantly by considering how your child gets to school, but also by asking your school whether they are regularly updating, developing and crucially putting into practice, their school travel plan. Within your school's existing school travel plan, you could help set up a junior road-safety team or a school travel council to help promote and encourage sustainable transport and active travel. This would be made up of a mixture of children from the school, who can take responsibility for the plan and come up with their own initiatives to further encourage and promote sustainable travel and work towards achieving the school travel plan's targets.

We want to make sure that a new culture of school travel can develop so that, together, we can make the school journey safer, healthier and more sustainable for everyone.

For more information on your sustainable travel options, please contact Andy Allen on 01942 488260.

Transfer between secondary schools

If you want to change your child's school, you should consider this decision very carefully. It is generally in a child's best interest to stay at the same school, as changing schools can cause an unnecessary break in the child's education. If your child is having problems, a change of school is not always the answer. You should discuss any concerns with your child's head teacher or pastoral leader before you apply for a different school.

Changing schools in Year 10 or Year 11 is likely to be difficult. A different school may not be able to offer the same subject options or exams for which your child has studied and completed coursework.

If you are thinking of moving house and your child would have to change school, there may not be places available at the school you want. The School Places Team will be able to tell you which schools are full or have places. Some schools are full in all or most year groups and we cannot guarantee there will be a place available in the area you plan to move to.

How to apply for a transfer of school

Wigan residents

The School Places Team deals with in-year applications (applications part-way through the year) for places at schools.

If you are a Wigan resident and you want to apply to transfer your child to a different school, please fill in the Wigan Council In-year Application Form. This form is available on our website at www.wigan.gov.uk. The School Places Team will also send you a copy if you ask. You can contact them by phoning 01942 486040.

You can name up to three schools in order of preference, either in Wigan or another local authority area. If you name a school in another local authority area we will deal with the other local authority for you. We will write to let you know that we have received your application.

If any of your preferred schools is a voluntary-aided (church) school, we strongly advise you to fill in the school's own supplementary information form and return it with your Wigan Council In-year Application Form. You can get a copy of the supplementary form from our website at www.wigan.gov.uk, from the School Places Team, or from the school. If you do not fill in the school's own supplementary information form, the school will not have all the information they need to consider your application against their faith criteria.

We will write to let you know the outcome of your application. All schools have an admission limit for each year group. If we cannot offer your child a place at the school you want and you live in Wigan, we will offer a place at another school. You may want to keep your child at their current school. You have the right to appeal if we refuse you a place at a school. For more information on appeals, see page 15. If you are making an appeal for a school and a place becomes available before your appeal is heard, we will consider your application alongside any other applications for the school.

It is important that your child continues to attend their current school until you have arranged a transfer date.

Residents of other local authorities

If you do not live in Wigan, you can still apply for a place in a Wigan secondary school but you must apply using your own local authority's application form. Your local authority will send details to our School Places Team. You should send voluntary-aided school supplementary information forms for Wigan schools to your local authority with your application form.

We will tell your local authority when we receive your application and let them know the outcome. Your local authority will write to you. You have the right to appeal if you are refused a place at a school. For more information on appeals, see page 15.

Applications for children moving into Wigan

If you want to apply for a Wigan school because you are moving to Wigan soon, you can fill in the Wigan Council In-year Application Form and return it to our School Places Team. **You must send evidence of the address you will be moving to and the date you will be moving with your application.**

Offers of school places

You need to accept the place we offer you within two weeks of the offer date.

Once we have offered you a place at a school, your child must start within four school weeks. If they do not, we will withdraw the place. If you still want your child to move to the school, you will need to apply again. Please bear this in mind if you are in the process of moving house.

Fair Access Protocol

We sometimes receive requests for places from Wigan residents and are not able to offer a place at a school within a reasonable distance of where the child lives. In these situations, the Corporate Director of People Services: Children, Adults and Families will use our Fair Access Protocol to allocate a place at a community, voluntary-controlled, foundation or voluntary-aided (church) school, even if the year group is full.

Children who qualify for a place using our Fair Access Protocol must be given priority over children on a waiting list who attend a school.

Plain English Campaign's Crystal Mark does not apply to the rest of this booklet.

Bedford High School	DfE No	Age range	Specialism	No of pupils on roll Jan 2011
Manchester Road Leigh WN7 2LU Tel:01942 486386 Website: http://www.bedford.wigan.sch.uk Headteacher: Mr S Preston All mixed, comprehensive, 11-16	4019	11-16	Business and Enterprise College	965

Admission Number 2012: 242

Oversubscription Criteria

Where the school receives more applications than places available, the following admission criteria will be applied once places have first been allocated to pupils who have a statement of special educational needs which names the school:

1. Children in Public Care.
2. Children with brothers or sisters who will be attending the school at the time of admission.
3. Children living in Leigh, Atherton, Astley, Tyldesley and Mosley Common
4. Other children living nearest to the school

Tie-breaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to a central point at the school using a Geographical Information System (GIS) which is based on ordnance survey.

If we offer the last place available at the school to one of twins (or triplets, and so on), our policy is to admit the other twin or triplets too.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases, we will use a system to randomly pick who will be offered a place.

When considering your child's application, we will use the permanent home address we have for you at the closing date for applications. If parents are separated and the child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who receives the Child Benefit for this.

Brothers and Sisters

We will include half-brothers and half-sisters; stepbrothers and stepsisters; and foster brothers and foster sisters who live at the same address as part of the same family unit.

Waiting lists

Places may become available at a school after the offer date. We will:

- ◆ Put all children who we refuse a place at one of their preferences on the waiting list for the school;
- ◆ Keep the list in priority order, decided by the oversubscription criteria for the school only;
- ◆ Offer any place that becomes available to the next child on the waiting list; and
- ◆ Maintain the waiting list until the end of the autumn term in 2012.

We cannot take into account the length of time a child's name has been on the waiting list, only the admission criteria for the school. This means that your child's position on the list may change if another parent asks to be put on the list and their child has higher priority in the oversubscription criteria.

- ◆ Offer any place that becomes available to the next child on the waiting list; and
- ◆ Maintain the waiting list until the end of the autumn term in 2012.

We cannot take into account the length of time a child's name has been on the waiting list, only the admission criteria for the school. This means that your child's position on the list may change if another parent asks to be put on the list and their child has higher priority in the oversubscription criteria.

Admission Number 2012: 156

Oversubscription Criteria:

Where the school receives more applications than the number of places available, the following admission criteria will be applied once places have first been allocated to pupils who have a statement of special educational needs which names the school.

1. Children in public care
2. Children who have a brother or sister who will be attending the school at the time of admission.
3. Children who live in Leigh with the postcode WN7-5 and Atherton.
4. Other children living in Leigh.
5. Other children living nearest to the school.

Tie-breaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to a central point at the school using a Geographical Information System (GIS) which is based on ordnance survey.

If we offer the last place available at the school to one of twins (or triplets, and so on), our policy is to admit the other twin or triplets too.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases, we will use a system to randomly pick who will be offered a place.

When considering your child's application, we will use the permanent home address we have for you at the closing date for applications. If parents are

separated and the child spends time at each parent’s address, the address we use for admission to school is that of the main carer. We use the address of the parent who receives the Child Benefit for this.

Brothers and Sisters

We will include half-brothers and half-sisters; stepbrothers and stepsisters; and foster brothers and foster sisters who live at the same address as part of the same family unit.

Waiting lists

Places may become available at a school after the offer date. We will:

- ◆ Put all children who we refuse a place at one of their preferences on the waiting list for the school;

Church of England Status

The Governors of Lowton High School are consulting on a proposal to change our status to that of a Church of England school.

At the time of writing the first stage of the consultation process has been successfully completed and approval granted by the Department of Education to move to the second stage. This will take place at the start of the autumn term 2011 and is expected to be completed by half term.

We therefore expect our change of status to take effect on January 1st 2012.

This proposal would enable the Governors to develop a distinctly Christian ethos throughout the school by:

- educating pupils in the Christian faith, according to Church of England principles
- promoting values based on compassion, hope, reconciliation, trust, humility and forgiveness
- emphasising individual responsibilities but also our responsibilities to the needs of others
- teaching respect and tolerance towards others
- celebrating Christian festivals and occasions
- increasing the support and input of appropriate clergy and Church members in the delivery of elements of the curriculum and school life
- defining a framework of discipline and pastoral care which is firmly grounded on Christian values
- extending pupil involvement in the local community and community involvement in school life.

Admission Number 2012: 250

Oversubscription Criteria

1 Who admits the pupils?

As The Deanery High School is a Voluntary Aided School, the Governors are responsible for the school's Admissions Policy.

2 When are pupils admitted?

Normally, children are admitted in the September of Year 7 and the September of Year 12. Admissions to other year-groups or at other times of the year are called "in-year" admissions (see below).

3 How many pupils will be admitted?

Up to 250 children will be admitted into Year 7 each September. Any child who has a statement of special educational needs that names The Deanery High School is offered a place in the first instance.

The remaining places are split between five categories:

- **Category L:** Looked After children applications
- **Category M:** Medical/Social applications
- **Category C:** Christian applications
(Note: the Governors have defined a 'Christian' church as one that is in membership of, or one that agrees with, the 'Basis' – a statement of beliefs set out by *Churches Together in England*).
- **Category O:** Other World Faith applications
- **Category P:** Other parents expressing a preference for a place at the school

Parents may apply for a place under more than one main category if they wish. For entry into Year 7 in September 2012, all application forms must be submitted by **31st October 2011.**

4 Who will get the places in each category?

In the event of more children applying in each category than there are places, the following systems will be used to decide who gets the places.

Category L: Looked After children applications

Looked After children (*ie* children in the care of the Local Authority).

Category M: Medical/Social applications

If the number of places offered to children with a statement of special educational needs and Looked After children does not exceed 10 in total then any remaining places will be offered to children with a medical or social need.

Places will be offered firstly to other children who can demonstrate that *The Deanery High School is the only school that can meet their needs*, and secondly to children who can demonstrate that *The Deanery High School is the best-placed school to meet their needs*. Applicants can demonstrate either of these statements is true through a standard reference (on the appropriate school form, DHS2) from a suitably qualified professional such as a social worker or doctor; however **no places will be awarded unless they are supported by such a reference**. Within these two groups, priority will be given to those who live closest to the school: see Section 6 below.

Category C: Christian applications

Initially up to a maximum of 230 places will be offered to children in this category. Information will be gathered from parents and an appropriate religious official (on form DHS3). A points system will be used to score each application form, as described in the document entitled "*Arrangements for Admitting Students to Year 7*".

If two or more children have the same points total, priority will be given to those who live closest to the school: see Section 6 below.

Category O: Other World Faith applications

Initially up to a maximum of 10 places will be offered to children from this category. Information will be gathered from parents and an appropriate religious official (on form DHS4). A points system will be used to score each application form, as described in the document entitled "*Arrangements for Admitting Students to Year 7*".

If two or more students have the same points total, places will be allocated at random. This will be conducted in the presence of an independent witness.

5 In what order will the places be offered?

The Governors will offer places in Category L first, then category M then in Category C, then in Category O and finally in Category P. Any Category P places will be offered in the following order:

- first, to children who have a sibling at the school (as defined in Section 7);
- second, to any other children.

Within each of these groups, priority will be given to those who live closest to the school: see Section 6 below.

6 How does the 'Distance Tie-break' work?

When we use a 'distance tie-break', places will be given to the children who live nearest to the school. We measure this distance:

- in a straight line; and
- using a Geographical Information System (GIS) which is based on Ordnance Survey.

We will measure from the child's home address to the school's Pupil Entrance on Frog Lane.

When parents apply for a place, they must give the correct permanent address. This is where the child and parent, or person with care of the child or the person with parental responsibility, normally live.

If the child's parents are separated and the child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who gets the Child Benefit to determine this.

We may carry out checks to confirm that addresses are genuine. We may ask to see two forms of evidence of a child's permanent address at the closing date for applications such as:

- where the registration for council tax is held, and/or
- a utility bill which can be gas, electricity or water

Any evidence provided must establish that the parent or main carer lived at this address at the closing date for applications.

If there is a temporary change of address, for example, if someone has gone to live with a relative *etc*, this address cannot be used.

When considering a child's application, we use the permanent home address we have on file at the closing date for applications.

7 What is a sibling?

Siblings are brothers and sisters of the child who is applying for a place. In line with the Local Authority definition, we will include

- brothers and sisters;
- half-brothers and half-sisters;
- stepbrothers and stepsisters; and

- foster brothers and foster sisters

who live at the same address as part of the same family unit and who are pupils on roll in Years 7, 8, 9 or 10 at the Deanery High School at the time that the application is made.

8 What if there are places left in a Category?

- 1 Details of our Admissions Policy are published in the Wigan Local Authority “*Admission to Secondary School*” Booklet for Parents, which is distributed to pupils in Year 6.
- 2 Under Wigan’s co-ordinated admissions arrangements, parents must complete a Local Authority preference form and return it to their child’s primary school by **31st October 2011**. If parents wish to apply for a place for their child at The Deanery High School:
 - a) the school should be one of the three schools named by parents on the Local Authority preference form; **and**
 - b) the parents should also complete a separate application form for The Deanery High School, form DHS1, which must be returned to **their child’s primary school** by **31st October 2011**. Additional reference forms (DHS2, DHS3, and/or DHS4) should be completed depending on the category of Admission applied for and returned with the DHS1 form.
- 3 Our Admissions Policy, which should be read alongside this document, gives details of:
 - a) the five Categories
 - Category L Looked After children
 - Category M Medical/Social
 - Category C Christian
 - Category O Other World Faith
 - Category P Other parents who have expressed a preference for the school

4 Definitions

- * The Governors have defined a ‘Christian’ church as one that is in membership of, or one that agrees with, the ‘Basis’ – a statement of beliefs set out by *Churches Together in England*.
- * In Category C, some points are awarded for parental attendance at church. The Governors have defined ‘parent’ in this context to be a parent, legal guardian, or grandparent of the pupil in question.

- * When a 'distance tie-break' is used, places will be given to the children who live nearest to the school. We measure this distance:
 - in a straight line; and
 - using a Geographical Information System (GIS) which is based on Ordnance Survey as explained in the Admissions Policy. We will measure from your child's home address to the school's Pupil Entrance on Frog Lane.
- * In Categories C and O (and elsewhere), some points are awarded for a 'sibling link'. In line with the Local Authority, 'siblings' will include:
 - brothers and sisters;
 - half-brothers and half-sisters;
 - stepbrothers and stepsisters; and
 - foster brothers and foster sisters

who live at the same address as part of the same family unit and who are pupils on roll in Years 7, 8, 9 or 10 at the Deanery High School at the time that the application is made.

5 Category C: Christian applicants

In Category C, points are awarded on the basis of the information collected on forms DHS1 and DHS3. Places will only be offered under this category if a DHS3 form, signed by an appropriate church leader, has been submitted. Form DHS3 must be signed by an appropriate church leader for the points to be awarded. Points are awarded as follows:

- a) 2 points for a pupil with a 'sibling link' – as defined in Section 4;
- b) 18, 12, 6 or 0 points for attendance by the child at church in 2010 (for each box in question 1a on form DHS3 respectively);
- c) 15, 10, 5 or 0 points for attendance by the parent at church in 2010 (for each box in question 1b on form DHS3 respectively);
- d) 12, 8, 4 or 0 points for attendance by the child at church in 2009 (for each box in question 2a on form DHS3 respectively); and
- e) 9, 6, 3 or 0 points for attendance by the parent at church in 2009 (for each box in question 2b on form DHS3 respectively).

A total of 56 points are therefore available to applicants in Category C. Places will only be offered to pupils where **at least 3 points** have been awarded.

6 Category O: Other World Faith applicants

In Category O, points are awarded on the basis of the information collected on forms DHS1 and DHS4. Places will only be offered under this category if a DHS4 form, signed by the faith community leader, has been submitted. Points are awarded as follows:

- a) 1 point for a pupil with a 'sibling link' – as defined in Section 4;
- b) 2 points for pupils whose families are committed members of their faith community.

A total of 3 points are therefore available to applicants in Category O. Places will only be offered to pupils where **at least 2 points** have been awarded.

7 Late Applications

It is important that application forms are returned **before the closing date on 31st October 2011**. Late applications will only be considered after the Governors have dealt with **all** the applications received on time. This means that such applications are less likely to be successful.

Admission Criteria

Please note the following explanatory points:

- a) For a child to be considered as a Catholic, evidence of a Catholic Baptism or reception into the Church will be required.

A Baptised Catholic is one who has been baptised into the full communion with the Catholic church by the Rites of Baptism of one of the various churches in communion with the See of Rome (Cf Catechism of the Catholic Church 1203). Written evidence of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place.

Or

A person who has been baptised in a separate ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases a sub-section of the Baptismal Registers of the church in which the Rite of Reception took place.

The Governing Body will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of "Baptised Catholics". A Certificate of Baptism or Reception is to include: full name, date of birth, date of baptism or reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of baptism or reception.

Those who would have difficulty obtaining written evidence of baptism for a good reason may still be considered as baptised Catholics but only after they have been referred to their parish priest who, after consulting with the Vicar General, will decide how the

question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of baptism due to persecution or fear, the destruction of the church and the original records, or where the baptism was administered validly but not in the Parish church where records are kept.

Governors may request extra supporting evidence when written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church (i.e. where the name and address of the church is not on the certificate or where the name of the church does not state whether it is a Catholic church or not.

- b) The home address of a pupil is considered to be the permanent residence of a child. The address must be the child's only or main residence. Documentary evidence may be required - eg. child benefit payment address.
- c) Where care is split equally between mother and father, parents must name which address is to be used for the purpose of allocating a school place.
- d) Late applications (those received after the closing date) will only be considered after the applications that have been received on time. The closing date for applications is 31st October 2011.

The supplementary form should be returned to the school by Monday, 31st October 2011.
7. The Governing Body has delegated responsibility for determining admissions to its Admissions Committee, which will consider all applications made in accordance with the agreed criteria without reference to the ability or aptitude of the child.

4. A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria; the waiting list will operate until the end of the first term.

Important information about the waiting list.

We cannot take into account the length of time a child's name has been on the waiting list, only the admission criteria for the school. This means that your child's position on the list may change if another parent asks to be put on the list and their child has higher priority in the admissions criteria.

Notes:

1. For a child to be considered as a Catholic, evidence of the Catholic Baptism or reception into the Church will be required.

Baptised Catholic – means, within the policies and practices relating to school admissions, any child who, before the due date of application, is baptised Catholic or who, having been baptised into another Christian denomination whose baptisms are recognised by the Catholic Church, has subsequently been formally received into the Catholic Church.

Or

A person who has been baptised in a separate ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases

a sub-section of the Baptismal Registers of the church in which the Rite of Reception took place.

The Governing Body will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of "Baptised Catholics". A Certificate of Baptism or Reception is to include: full name, date of birth, date of baptism or reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of baptism or reception.

Those who would have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to their parish priest, who after consulting with the Vicar General, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of baptism due to persecution or fear, the destruction of the church and the original records, or where baptism was administered validly but not in the Parish church where records are kept.

Governors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not).

2. The home address of a pupil is considered to be the permanent residence of a child. The address must be the child's only or main residence. Documentary evidence may be required – e.g. Child Benefit payment address.
3. Where care is split equally between mother and father, the address on your Child Benefit book or the child's medical card will be used as the child's address.

PARENTS MUST COMPLETE THE LOCAL AUTHORITY COMMON APPLICATION FORM AND THE SCHOOL SUPPLEMENTARY FORM.

The school's standard admission number is 179.

1. Baptised Catholic children who are in the care of the Local Authority (looked after children).
2. Baptised Catholic children living in the designated Pastoral Areas of St. Edmund Arrowsmith and St. Margaret Clitherow (formerly the parishes of St. Ambrose Barlow, St. Joseph's, Sacred Heart – Atherton, Sacred Heart – Leigh, Holy Family, XII Apostles, Our Lady of the Rosary, St. Richard's and St. Gabriel's).
3. Baptised Catholic children who have a brother or sister at the school at the time of likely admission. This includes full, half or step-brothers and sisters, foster brothers and sisters and children who are living at the same address and are part of the same family unit.
4. Baptised Catholic children living in other Catholic parishes.
5. Children who are in the care of the Local Authority (looked after children) other than Catholic
6. Children who are other than Catholic who have a brother or sister at the school at the time of likely admission. This includes full, half or step-brothers and sisters, foster brothers and sisters and children who are living at the same address and are part of the same family unit.
7. Children demonstrating a commitment to other Christian denominations. Providing evidence of either Baptism; in the form of a Baptismal Certificate or confirmation that the applicant is a member of their faith community from an appropriate faith leader or commitment evidenced by attendance at a faith school at the time of application.

Priority will be given to students attending the 8 Catholic Primary Schools within the two Pastoral Areas (see Category 2 above).

8. Children of other faiths. An appropriate Faith Leader would need to confirm in writing that the applicant is a member of their faith group.
9. Children whose parents express a preference for a place at the school.

In the event of any over-subscription in the number of applications made under any of the categories above then the admissions committee will offer places first to children living nearest to the school measured in a straight line from the home address to the reception entrance of the school.

Admission Policy and Arrangements

1. St. Mary's is a Catholic High School situated in the Archdiocese of Liverpool and is maintained by the Wigan Local Authority.
2. The Governing Body of the school is responsible for determining and administering the policy relating to the admission of pupils to the school. It is guided in that responsibility by:
 - the requirements of the law
 - the advice of the Archdiocesan Trustees on the nature and purpose of its duties
 - its duty towards the school and the Catholic community it serves
 - the Catholic character of the school and its Mission Statement
 - recognition of the Parish boundary
3. The school serves in the first instance baptised Catholic children living in the two Pastoral Areas of St. Edmund Arrowsmith and St. Margaret Clitherow (formerly the Parishes of St. Ambrose Barlow, St. Joseph's, Sacred Heart - Atherton, Sacred Heart - Leigh, Holy Family, XII Apostles, Our Lady of the Rosary, St. Richard's and St. Gabriel's).
4. Having consulted with the LA and others in accordance with the requirements of the law, the Governing Body has published its admissions limit at 260 pupils for the school year commencing September 2012.
5. Parents must complete the Local Authority application form which must be returned to the Local Authority by 31st October 2011. Parents who wish their application to this Catholic school to be considered against the priority faith criteria should also complete the School Supplementary Form. If the school is oversubscribed, failure to complete the supplementary form may result in your application for a place in this school being considered against lower priority criteria, as the Governing Body will have no information upon which to assess the application on the basis of the applicant's baptism and/or membership of a faith community. Parents must return their supplementary information form as detailed in the booklet for parents "Admissions to secondary schools 2012-2013."

6. The Governing Body has delegated responsibility for determining admissions to its Admissions Committee, which will consider all applications made in accordance with the criteria set out over the page, without reference to the ability or aptitude of the child.

Admission Arrangements

1. All applications will be considered at the same time and after the closing date (detailed on the preceding page) agreed by the Admissions Committee.
2. Parents will be informed by letter of the decision of the Admissions Committee no later than 1st March 2012. The letter will be provided by the L.A. on behalf of the Governing Body. If their application has been successful they are required to confirm acceptance of the offer of a place by 10th March, 2012.
3. If application has not been successful the letter will give reasons for the decision, will inform parents of their right of appeal and give guidance on how that appeal should be made.
4. A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admissions Criteria. Parents will be informed of their child's position on the waiting list which will not be operated for longer than the end of the Autumn term.

N.B. Please note that a child's position on the waiting list may change if another parent asks to be placed on the list and their child has a higher priority in the published admissions criteria.

Notes

1. For a child to be considered as a Catholic, evidence of a Catholic Baptism or reception into the Church will be required.

Baptised Catholic means, within the policies and practices relating to school admissions, any child who, before the due date of application, is a baptised Catholic or who, having been baptised into another Christian denomination whose baptisms are recognised by the Catholic Church, has subsequently been formally received into the Catholic Church.

In brief, the priest will be able to testify that, for anyone under the age of 14 years, the process of reception into full communion with the Church has been formally completed and details of the child's non-Catholic baptism have been entered into the parish's Baptismal Register. You will wish to be aware that the Archbishop has recently written on the subject to priests throughout the Archdiocese.

Those who would have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to their parish priest, who after consulting with the Vicar General, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of baptism due to persecution or fear, the destruction of the church and the original records, or where baptism was administered validly but not in the Parish church where records are kept.

Governors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not).

2. The home address of a pupil is considered to be the permanent residence of a child. The address must be the child's only or main residence. Documentary evidence may be required – e.g. child benefit payment address.
3. Where care is split equally between mother and father, parents must name which address is to be used for the purpose of allocating a school place.
4. Late applications (those received after the closing date) will only be considered after those received by the closing date.

PARENTS MUST COMPLETE THE LOCAL AUTHORITY COMMON APPLICATION FORM AND WHERE APPLICABLE THEY ARE STRONGLY ADVISED TO COMPLETE THE SCHOOL SUPPLEMENTARY FORM FOR EACH CATHOLIC SCHOOL FOR WHICH THEY APPLY. FAILURE TO DO THIS MAY MEAN THE GOVERNORS DO NOT HAVE INFORMATION ABOUT THEIR FAITH COMMITMENT WHEN CONSIDERING THEIR APPLICATION.

Sixth Form Entry Requirements 2012

Each year up to 200 students are admitted into Year 12 at the age of 16, up to 30 of which may be external candidates. Places are allocated on the basis of academic suitability for the selected curriculum pathway using criteria that will be published annually in the Sixth Form Prospectus. In the case of over-subscription priority will be given to Looked After Children, with precedence being given to Catholic then other than Catholic, and students progressing from St Mary's Catholic High School.

Any changes to the arrangements set out in Part I of this document must be approved in advance by the Secretary of State. Obligations in this document are to be treated as if imposed by the Funding Agreement.
2. Notwithstanding these arrangements, the Secretary of State may direct the Hope Academy to admit a named pupil to the Hope Academy on application from a local authority (LA). Before doing so the Secretary of State will consult the Academy.

ADMISSION ARRANGEMENTS APPROVED BY SECRETARY OF STATE

 - b) The Hope Academy may set a higher admission number as its Published Admission Number for any specific year. Before setting an admission number higher than its agreed admission number, the Hope Academy will consult those listed at paragraph 18 below. Pupils will not be admitted above the Published Admission Number unless exceptional circumstances apply. Such circumstances shall be reported to the Secretary of State.

Process of application

4. Applications for places at the Academy will be made in accordance with LA's co-ordinated admission arrangements and will be made on the Common Application Form provided and administered by the St Helens LA. The Hope Academy will use the following timetable for applications each year (exact dates within the months may vary from year to year) which, whenever possible, will fit in with the common timetable agreed by the St Helens Admissions Forum or LA.
 - a) By September of the preceding year - The Hope Academy will publish in its prospectus information about the arrangements for admission, including oversubscription criteria, for the following September (e.g. in September 2011 for admission in September 2012). This will include details of open evenings and other opportunities for prospective pupils and their parents to visit the school. The Hope Academy will also provide information to the LA for inclusion in the composite prospectus, as required;
 - b) September/October - The Hope Academy will provide opportunities for parents to visit the Academy;

- c) 31st October - Common Application Form to be completed and returned to the LA to administer
- d) LA sends list of applications to the Academy
- e) The Academy sends list of pupils to be offered places to LA
- f) February - LA applies agreed scheme for its own schools, informing other LA's of offers to be made to pupils for whom they are responsible.
- g) 1st March (or the next working day if the 1st is not a working day) offers made to parents.

Consideration of applications

- 5. The Hope Academy will consider all applications for places. Where fewer than the published admission number for any relevant age group are received, the Hope Academy will offer places to all those who have applied.

Procedures where the Hope Academy is oversubscribed

- 6. Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below. After the admission of pupils with statements of Special Educational Needs where the Hope Academy is named on the statement, the criteria will be applied in the order in which they are set out below:
 - a) children in public care;
 - b) children in receipt of 'Enhanced Action Plus' funding for whom the LA has indicated that the Academy is the most appropriate educational establishment because of their special educational needs;.
 - c) after the application of criteria (a) and (b), places will be allocated on the following basis:

(f) Children whose parents regularly worship in a recognised faith community. Regular attendance shall be defined as at least once a month for at least 6 months before application. This would need to be supported by a reference/letter from a leader of that faith community and submitted by the parent with their application form.

(g) Children whose parents express a preference for a place at the Academy

Tie break

In the event of any oversubscription in the number of applications made under any of the categories above, the Academy will offer places first to children whose *family home is nearest the school. The measurement shall be done by the Local Authority in a straight line using a Geographical Information System (GIS) based on Local Land and Property Gazetteer (LLPG) data and the National Grid co-ordinates for the family home and the Academy.

Where the tie-break does not distinguish between applicants eg. children living in the

same block of flats, random allocation will be used. This will be done by drawing lots and supervised by someone independent of the Academy.

Special Conditions for Twins (etc)

Where the final place in a year group is offered to one of twins (or triplets etc), the Academy will not apply the tie-break as it will admit the other twin etc. too, even if that means going above the admission number for the Academy.

Admissions Definitions

***Family Home** – family home is defined as the permanent address of the parent or legal guardian, who is in receipt of child benefit.

Operation of waiting lists

7. The Academy will operate its waiting list in accordance with the LA's secondary co-ordinated admissions scheme.
8. Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out in paragraph 6a – g above. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria and not on the date on which applications were received.

Arrangements for Appeals Panels

9. Parents will have the right of appeal to an Independent Appeal panel if they are dissatisfied with an admission decision of the Academy. The Appeal panel will be independent of the Academy. The arrangements for Appeals will be in line with the School Admission Appeals Code published by the Department for Children Schools and Families as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel will be made in accordance with the School Admission Appeals Code and is binding on all parties. The Academy will prepare guidance for parents about how the appeals process will work and will provide parents with a named contact who can answer any enquiries they may have about the process.

Arrangements for admission to post 16 provision

10. The Academy will make separate arrangements for entry to courses in the sixth form, based on GCSE grades or other measures or prior attainment, which will be published annually. Both internal and external pupils wishing to enter the sixth form will be expected to have met the minimum academic entry requirements for the sixth form. In addition to the minimum of 5 GCSE's including C or above in Maths and English pupils will need to satisfy minimum entrance requirements for the courses for which they are applying. If either internal or external applicants fail to meet the minimum course requirements they will be given the option of pursuing any alternative courses for which they do meet the minimum academic requirements. The Academy has capacity for 300 pupils in the sixth form with 150 places in year 12.
11. The Academy will not admit external applications unless it is undersubscribed by pupils

progressing from its own Year 11 and in such circumstances it will apply the same academic entry requirements as it does to pupils already on roll in the Academy. If a tie-break is necessary to determine who is admitted, it will apply the oversubscription criteria in paragraph 6 above.

12. There will be a right of appeal to an Independent Appeals Panel for unsuccessful internal and external applicants.

Arrangements for admitting pupils to other year groups

13. Subject to any provisions in the LA's co-ordinated admission arrangements relating to applications submitted for years other than the normal year of entry, the Academy will consider all such applications and if the year group applied for has a place available, admit the child unless one of the permitted reliefs apply. If more applications are received than there are places available, the oversubscription criteria in paragraph 6 shall apply. Parents whose application is turned down are entitled to appeal.

14. The Hope Academy will participate in St Helens LA's In Year Fair Access Protocol

Arrangements for admission of pupils as the Hope Academy builds to its full capacity

15. The Hope Academy will open on 1 September 2011 with a Published Admission Number relating solely to pupils in Year 7 and, where relevant, Year 12. Pupils in other Years will have been transferred automatically from the predecessor schools, St Aelred's Roman Catholic Technology College and Newton-le-Willows Community High School School, which will both close on 31 August 2011. Students on roll in year 11 in July 2011 at St Aelred's Roman Catholic Technology School and Newton-le-Willows Community High School will be offered a place in the sixth form subject to their qualifications matching admission arrangements for the sixth form.
16. Admission to Year groups without a Published Admission Number will be based upon the size of teaching groups already existing in the Hope Academy and the efficient use of resources.
17. There will be a right of appeal to an Independent Appeal Panel for unsuccessful applicants.
