Nature of Representation

What is the nature of your representation?

I support part of the SCI

Support: Section=Eight Paragraph=8.2 to 8.17

Object: Section= Paragraph=

Omission:

Reasons for Objection

Please see below the tests of soundness I consider that this part of the SCI fails.

1. The SCI complies with the minimum requirements for consultations as set out in the Town and Country Planning (Local Development) (England) Regulations 2004 -

2. The SCI's strategy for community involvement links with other community involvement initiatives (e.g. the Community Strategy) -

3. The SCI identifies in general terms which local community groups and other bodies will be consulted -

4. The SCI identifies how the community and other bodies can be involved in a timely and accessible manner -

5. The methods of consultation to be employed are suitable for the intended audience and for the different stages in the preparation of local development documents -

6. Resources are available to manage community involvement effectively -

7. The SCI shows how the results of community involvement will be fed into the preparation of development plan documents and supplementary planning documents -

8. The SCI sets out a mechanism for reviewing the SCI -

9. The SCI clearly describes the policy for consultation on planning applications -

Changes to the SCI
