Department of Adult Services

Time for Me

2011/2012 Guidance Notes

Please read these notes carefully, as they will help you to complete the grant application form correctly.

Wigan Council's Department of Adult Services is inviting funding applications to the Time for Me scheme (up to a maximum of £100) to individual adult carers, towards something that will help them to take a break from their caring role. This money has been provided from the Carers Grant funding.

Carers are people who look after relatives or friends who, because of illness or disability cannot manage at home without help. A carer can be of either sex – carers come from all backgrounds and communities.

Who can apply?

- You (the carer) must be aged **18 years or over** and the person you care for must be an adult (aged 18 years or over).
- You must not have received grant funding for carers in the last financial year (i.e. from April 2011 to March 2012).
- You must be a carer living in the Wigan borough.

What can I apply for?

We are inviting applications from individual carers, which under the Carers Equal Opportunities Act (2004), could mean help towards the cost of things like: short breaks, holidays, driving lessons, buying a phone or mobile phone, leisure activities, gym membership, college courses, and other activities that you feel could help you take a break from your caring role.

The application process

- When you have completed the self assessment and application form, please return it to the Carers Support Team (the address is at the end of these guidance notes). The team will store your details securely on a computer database – these will be kept confidential, and will only be used by the council to contact you about other relevant services for carers.
- The application form must be completed as fully as possible, as a decision will be made based on the information you provide. We may need to contact you to clarify information that will help us to make a decision.

- You must give details of what you are applying for and give specific details of the cost and how it will help you in your caring role. The amount you apply for must reflect the actual cost of what you want to buy. Please attach quotes or estimates, as this will enable us to consider your application fully.
- We will hold a special panel meeting to consider all applications we receive. Following this, we will write to you to let you know whether or not your application has been successful. If it has, we will ask you to sign and return an agreement. This says that you will must use the grant money to pay for the item that you have applied for.
- Once we receive your signed agreement, a cheque will be sent to you from the council's Finance Section. **Please make sure you keep all receipts**, as you will need to return them to us for our audit purposes – we will write to you about this. Or, you can return any receipts etc. with your signed agreement if you prefer to do so.

Please note:

- No means-test will be applied to applications for this grant.
- Applications will not be accepted without the carer's knowledge.

We will write to you to tell you about the outcome of your application after the panel meeting. This will usually be approximately two weeks following the closing date.

Who should I contact for more information?

If you require help or more information, please contact the council's Carer Support Team on 01942 705967. Or, email ssdcarers@wigan.gov.uk

Where should I send my completed application form?

Please return your application form to:
