- * Come along to listen to really great talks in French and to have a go at speaking French. All levels welcome ... don't worry if you are not fluent.
- * The price includes a glass of wine and nibbles and the evening's entertainment of course ... we look forward to seeing you.
- * If you know anyone who might like to come along please let them know. Fluency in French isn't essential but we do try to speak in French as much as possible.
- * If you have any different suggestions/ideas for the meetings please speak with Janet, Les, Polly or Pierre ... finding fluent French speakers is not easy!
