using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

If we offer the last place available to one of twins (or triplets and so on) we will offer the place that is available and you can decide which child will take up the place.
