

## Sheltered & Extra Care Accommodation for Older People in Wigan Borough

# Social Activities Directory 2012

There are retirement housing schemes right across Wigan borough, providing a home for over 2,200 people between them. In addition there are over 2,400 properties designated for older people which are located close to a 'sheltered' or 'extra care' scheme and two new private 'Belong Villages' for older people with support on site.

Each scheme forms its own community and has its own individual character. Some schemes are peaceful and private, some are lively and there is always something going on! Many activities are organised by residents themselves, ranging from neighbourly get-togethers, to day trips and parties for big events. Many of the activities available are open to non-residents too, so whether you are thinking about moving in and whether a particular scheme is right for you, or you just want to widen your social life, why not see what's going on in your local schemes?

There is lots more information about housing for older people available on the Council's website at [www.wigan.gov.uk/Services/Housing/Older\\_People.htm](http://www.wigan.gov.uk/Services/Housing/Older_People.htm), or you can call into one of Wigan & Leigh Housing's Property Shops to talk to an advisor about your options. Alternatively, your group may be looking for a suitable venue, and many sheltered and extra care schemes have comfortable lounges and gardens, with kitchen facilities, which are available to use at very low cost. Contact the Support Manager for the schemes you are interested in to find out more.
