

# Information Sharing for Wrap Around Settings

Prime Areas of Learning Targets:

Specific Areas of Learning Targets  
(where applicable):

“Practitioners should discuss with parents and/or carers (and other practitioners and providers as appropriate) the support they intend to offer, seeking to complement learning in settings in which children spend most time.”

Interests:

Things to note:

(Include information around Characteristics of Learning)

How can Setting support Child's Learning?

Childs Name:

Teacher/Key Person Name:

Date:
