(Students)

How did the week go?

It's the end of the week and we really hope you've had a successful, healthy week. In order for us to see how successful the week has been, print this page off, fill it in and post it back to your School Travel Co-ordinator along with the teachers' feedback form.

School Name: _____

How to fill in this form

- Collect in the tear-off slips from every child's passport from the class teachers.
- For each tear-off slip look at the box which says "total number of days walked" and divide the slips into five piles: those who have walked once, twice, three times, four times or five times.
- Count the number of slips in each pile and put the total in the right hand column of this table:

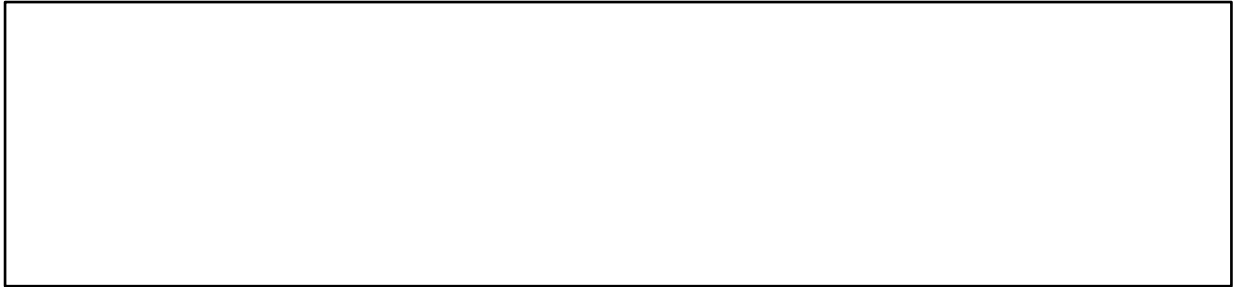

<u>Number of Times Walked</u>	<u>Number of Students</u>
Once	
Twice	
Three times	
Four times	
Five times	

If you need any help, please speak to you teacher.

You could produce some graphs from this data and use it to create a display for walk to school with all the information which is in the package. You could produce the graphs on Excel.

And finally...

Do you have any comments to make about this year's Walk to School Week?

A large, empty rectangular box with a thin black border, intended for users to write their comments about the Walk to School Week.
