

School Travel Plans

Modeshift STARS is the National Award Scheme that recognises schools that have shown excellence in supporting cycling, walking and other forms of sustainable transport through 3 prestigious awards; bronze, silver and, gold. Once the Bronze level is achieved the school will have a working School Travel Plan.

The more children that travel to school sustainably, the less cars will be around the school entrance. Therefore creating a safer and healthier environment for the children and improving their fitness.

The Road Safety Team can help you to achieve your school travel plan and work with you on a number of exciting initiatives. Some of the possible initiative options are shown below.
