

Clerk's Report to Haigh Parish Council 3 December 2018

Poppies on Lamp Posts

The poppies were attached to lamp posts throughout the Parish in early November and were taken down this weekend. Only 48 out of the 50 remain and have been put into storage.

Scam Mail

The Council received a letter from Royal Mail about scam mail and how they are trying to ensure that people are aware of it and to warn them about the pitfalls. They have sent a poster and have asked us to use it to raise awareness of the problem, so I have put it on the notice board.

Standish Neighbourhood Plan

Wigan Council are currently consulting about the final draft of Standish Neighbourhood Plan and the Parish Council, as a statutory consultee, have been invited to comment on it. The draft Plan is on the LA's website and replies must be with Wigan Council by 19 December.
