### **Clerk's Report to Haigh Parish Council 16 March 2020**

#### **Issues Raised Through the Report It App for Councillors**

Over the past six weeks I have been asked to raise the following issues through the App:

- A 20mph sign which had been found dumped on land adjacent to the layby in Pendlebury Lane near its junction with School Lane was reported in mid-December and was still there at the time of the Council meeting on 20 January 2020. Following an exchange of correspondence between me and the RIC and an intervention – at my request – by Dist Cllr Chris Ready, the sign was finally removed by 7 February. Hence the enquiry was closed.

#### **Parish Council Eligibility to Apply for Investment Fund Grants**

The officer who attended the meeting in January has confirmed that the Parish Council are not eligible to apply for Investment Fund grants.
