

Borough Parking Services Income and Expenditure

<p>What is in this data?</p>	<p>The data file lists income generated and expenditure amount by parking category.</p> <p>The type of parking includes:</p> <ul style="list-style-type: none"> • On-street. • Off-street
<p>Licence</p>	<p>This data is provided under the terms of the Open Government Licence.</p>
<p>Why we publish this type of data</p>	<p>All councils in England have been asked to make this data available by the end of December 2014. You can use it to see who our suppliers are, and how much we spend on each type of purchase.</p>
<p>How often is it published?</p>	<p>This is an annual dataset. We aim to provide a new set of data, within a month of the end of the financial year that it relates to.</p>
<p>What does each column mean?</p>	<p>The data contains fields for:</p> <ul style="list-style-type: none"> • Organisation Name - "Wigan Council". • Organisation Code - This is a unique code that identifies the council. Used by computer programmes, URIs provide machine readable data and allow those programmes to link to associated data. • Year - The accounting period to which the data applies. • On-street Parking Income Type - A description of where the on-street parking income has come from. • On-street Parking Income Amount – Value of on-street parking income generated. • On-street Expenditure Amount - Value of how much has been spent on On-street parking. • Off-street Parking Income Type - A description of where the off-street parking income has come from. • Off-street Parking Income Amount – Value of off-street parking income generated. • Off-street Expenditure Amount - Value of how much has been spent on Off-street parking. • On-street and Off-street PCN Income - Income generated from Parking Control Notices for both on-street and off-street parking. • Expenditure Type - Regular spend items for both on-street and off-street parking. • Expenditure Amount - Total expenditure for regular spend items for both on-street and off-street parking as listed under expenditure type. • Surplus Amount - Amount of surplus income from all on-street and off-street parking as specified in the income types. • Parking Spaces Number - Marked out or an estimate of the number of spaces where controlled on and off-street parking spaces are available.
<p>What data have we removed?</p>	<p>No rows of data have been removed, so this is a complete list.</p>
<p>What formats are available?</p>	<ul style="list-style-type: none"> • csv - which can be used with most spreadsheet style programs. • pdf - which can be viewed as a document.
