

Having reviewed a previous FOI request (relevant to 2016) regarding the costings of Christmas Lighting for Bryn Ward. I would like to have a breakdown of the costs of the Christmas lighting for Bryn Ward for the Years **2017/2018/2019/2020/2021/2022** (as far as possible). I would like this broken (for each year) as follows:

- | | |
|--|--|
| 1. How much in total did the Christmas Lighting cost for each of those years (2017-2022)? | <p>2017 - £3678.6</p> <p>2018 - £676.45</p> <p>2019 - £1650</p> <p>2020 - £1870.00</p> <p>2021 - £2070</p> |
| 2. How much Brighter Borough Funding was used for each of those years? | <p>2017 - £2037</p> <p>2018 - £0</p> <p>2019 - £0</p> <p>2020 - £220</p> <p>2021 - £420</p> |
| 3. How much S106 Money was used for each of those years? | None |
| 4. How much money was allocated by Places Directorate for each of those years? | £1650 per year |
| 5. How much were the Installation Costs for each of those years (please also include the current estimate for 2022)? | 2022 not yet finalised all the previous years are in the overall sums above. |
| 6. How much were the Maintenance Costs (unit testing/power installation testing, replacement parts etc)? | All included in the costs for Q1 |
| 7. What were the energy consumption running costs for these Christmas light for each of the years? | All included in the costs for Q1 |
| 8. What costs are incurred for the Bryn Christmas Tree for each of the years since installation (if applicable)? | We don't not hold this information as this was usually arranged directly with Local Councillors either being temporary or permanent trees. |
