

REQUEST	14147 - Mayoral	RESPONSE
	<p>I'd be grateful if you can provide me with the following information under the Freedom of Information Act 2000 in regards to vehicles used to transport the Mayor of your Local authority.</p> <p>1) A list of all vehicles owned or leased to the council for the use of transporting the Mayor of your Local authority and:</p> <p>a) The make and model of each vehicle?  b) The cost of purchasing each vehicle (if not leased) since 2018?  c) The cost of leasing each vehicle (if not purchased) since 2018?  d) The cost of fuel for each vehicle since 2018?  e)The costs associated with maintaining each vehicle since 2018?  f) The cost of insuring each vehicle since 2018?  g) The costs of any parking fees and / or fines / PCNs issued to each vehicle since 2018?</p> <p>Please provide cost per annum if possible for questions 1b-1g.</p> <p>2) How many days a week on average is each vehicle used?</p> <p>3) Is transporting the mayor the primary use of the vehicle? If not, please list other uses?</p>	<p>1. I can only assume that this is also from 2018 as per the rest of the request. We use a contracted driver/attendant and they have a fleet of cars that they have access to for transporting the Mayor. I have requested these details from the contractor but not yet received any response.</p> <p>We have recently arranged to lease a car for the Mayor that we hope to receive within the coming months – Until receipt we have hired:</p> <ul style="list-style-type: none"> <li>• a Kia E-Nero</li> <li>• Rental price is £649 per month</li> </ul> <p>(b) The contractor would need to advise on this.  (c) No cost for leasing as it was an hourly rate for the car and attendant.  (d) no direct fuel cost, it was part of the contracted hourly rate.  (e) no direct maintenance cost (as above)  (f) as above  (g) as above</p> <p>(2) the Mayor doesn't use the car for full days, therefore, I have attached the amount of hours the Mayor has been on appointments per month that required the car.</p> <p>(3) Transporting the Mayor should be the primary use for the car.</p>
