

Request

I wish to know if or how many Public Spaces Protection Orders there have been made by Wigan Borough Council in respect of dog walkers.

In particular I am interested in Orders which place restrictions on the number of dogs that can be walked/ exercised by any one person and the requirement or otherwise of leads/leashes.

Response

We have an approved PSPO for dog owners, it is due to be implemented in the new year.

A maximum of 4 dog at any one time.

Site signage will advise of specific areas where dog need to be on a lead at all times, where owners are instructed to place their dogs on a lead they must do so.
