

Long Covid

- 1) Do you have a standalone policy that details how your organisation will support managers and employees on the issue of long Covid? No
- 2) If not, have you amended another policy to detail how your organisation will support managers and employees on the issue of long Covid? We updated various policies and guidance when restrictions were in place but further updates have now been made since we have been living with covid.
- 3) In either instance, please supply a copy of your policy/policies Information not held as current versions of the policies reflect us living with covid.
- 4) How many employees have notified the organisation that they have been diagnosed with long Covid? 43
- 5) How many days have you lost as an organisation due to formally diagnosed long Covid? For the period 01/01/2020 – 16/12/2022 – 2180.5 days have been lost
- 6) If you are unable to answer questions 4 and/or 5 specifically, what data do you have on long Covid? N/A
- 7) Do you have a specific rehabilitation package available to staff with long Covid (other than signposting to standard NHS care)? No
