

## Request

How many public buildings in your council had working smart energy meters installed on the premises?

- Please provide the data split by property type.
- If available, please provide the date/year the smart energy meters were installed.
- If available, please provide any available data on when smart energy meters are planned to be installed on the premises which don't already have them.

## Response

- Of the 787 supplies 92 remain without smart meters.
- See attached spreadsheet of breakdown of properties with smart meters
- There are a variety of dates the meters were installed cross the last 10 years. The breakdown is not available
- The remain supplies without smart meters will be reviewed over the next 12 months and installed where viable
