

Guide Dogs is the leading charity providing services to children and young people with a visual impairment in the UK. We would like to gain an understanding of how many children and young people are registered with a visual impairment in Wigan and would appreciate if you could answer the following questions

- |    |  |     |
|----|--|-----|
| 1) | How many children aged 0-4 are registered blind or partially sighted in Wigan?                   | 7   |
|    | <i>Number of children supported by sensory education, but are not yet registered</i>             | 16  |
| 2) | How many children and young people aged 5-17 are registered blind or partially sighted in Wigan? | 60  |
|    | <i>Number of children supported by sensory education, but are not yet registered</i>             | 135 |
| 3) | How many young people aged 18-24 are registered blind or partially sighted in Wigan?             | 5   |
|    | <i>Number of children supported by sensory education, but are not yet registered</i>             | 20  |
