

Request

I am writing with a request for information under the FOI ACT 2000. The request is regarding the Homes for Ukraine scheme and follows on from a similar request. Thank you so much for taking the time to respond to that request, it is much appreciated and was extremely useful.

In light of the information received, I am requesting some **additional** information on this topic. Hopefully this request won't take too long to fill out as it requires similar but slightly different information from my last one, pertaining to **different dates**.

As before, to simplify this request, I am attaching a spreadsheet containing the questions and the format I would like you to answer them in, and I would be grateful if you could fill in the answers as per the example answers I have filled in in red. I have added a notes tab should there be any issues with any of the questions, so if you are unable to fill in a certain part please detail why not there. **To be clear**, where questions state 'please enter the number 1 if any of the following has occurred' I am not asking for the specific number, just a 'yes' (1) or 'no' (blank) as to whether or the following has occurred.

I am requesting information from the time period of from when the Homes for Ukraine scheme began up until **11 November 2022**
