

Request

The most up-to-date figures for the number of residents with addresses registered in Wigan that are aged over 64 years old, and are currently still paying Council Tax.

Please also break this data down by age, e.g. number of 64 year olds, number of 65 year olds, etc.

Response

We are currently unable to provide this data as it is not a requirement when registering/being made liable for Council Tax to provide or capture a date of birth and therefore this information is not held on the system
