

I am writing to you under the Freedom of Information Act 2000 to request the following information. Please can you provide the following:

- 1) The total tonnage of waste submitted to landfill sites in your division between the following periods:
 - 1st January 2020 – 31st December 2020
 - 1st January 2021 – 31st December 2021
 - 1st January 2022 – 31st October 2022
 - 2) The average tonnage of waste sent to landfill sites in your division per day.
- See attached Sheet. Please note that the information from July to October 22 has not been collated yet.*
- See attached sheet. The tonnage to landfill is not consistent each day. It increases when capacity an Energy from Waste plants is limited.*
- The data includes most services, however not all I accounted for as we do not have data for all waste from the directorate such as some skips and some of this will be unknown.*
