

I am writing on Friday 18 November to make an open request for information to which I am entitled under the Freedom of Information Act 2000. My questions are as follows:

1. Please inform me how many fixed speed cameras your authority is responsible for. If possible, please break this down by device type (EG Gatso, Truvelo, HADECS). None.
2. Please inform me how many average speed cameras your authority is responsible for. If possible, please break this down by device type (EG SPECS, VECTOR, Siemens). None.
3. Please inform me of the total financial cost to your authority of maintaining and calibrating the fixed speed cameras your authority is responsible for from 2018 to present. Please break this down by calendar or financial year. If possible, please also break this down by device type. Nil.
4. Please inform me of the total financial cost to your authority of maintaining and calibrating the average speed cameras your authority is responsible for from 2018 to present. Please break this down by calendar or financial year. If possible, please also break this down by device type. Nil.
5. If possible, please inform me how many speeding tickets were issued by the fixed cameras your authority is responsible for from 2018 to present. Please break this down by calendar or financial year, and by device type if possible. This information is not held by Wigan Council.

Speed cameras are managed and maintained by the TfGM Greater Manchester Road Safety Partnership on behalf of the 10 GM local authorities
