

REQUEST	SOFTWARE LICENCES	RESPONSE
We understand that Wigan Council are currently using M365 software licences.		
1)	What year did the council move from using perpetual licences to the M365 subscription platform.	2016
2)	Prior to moving to M365 were Wigan Council using Perpetual licences that were paid for on a subscription basis or were the perpetual licences that were being used owned outright by the Council?	Perpetual licences purchased by the Council
3)	If the perpetual licences were owned outright by the Council do Wigan Council still own the Microsoft Office perpetual licences that were used prior to the migration to M365?	Perpetual licences still in use as a base from SA
4)	If so what versions/quantities of these licences do the council still own?	1225
5)	If they are no longer owned by the council what happened to them?	N/A
