

This is an information request relating to the number of homeless individuals who have been evicted from accommodation within the council's remit in order to make way for migrants and asylum seekers.

Please include the information for just the current financial year, 2022/23

- The number of homeless individuals who have been evicted from council-funded or council run spaces in accommodation within the council's remit in order to make way for migrants and asylum seekers.

Zero. We have not evicted anyone to make way for asylum accommodation.
