

RE	QUEST	5G MASTS	RESPONSE
Please supply the following information under this request as governed by the Freedom of Information Act:			
1)	The ICNIRP certificates issued for 5G masts in the Council`s area.		The Council is not the body that regulates telecoms masts from the point of view of radio emissions, and so does not hold this
2)	5G mast off calculations of the contract of th	The power output of each antenna in dbm or Watts for each information. The regulating body is OFCON https://www.ofcom.org.uk/ off calculations supplied by the applicants for any 5G beams emitted from such antennae, since 5G beams do not obey the inverse square law.	
3)	insurance personal in relation radiation telecom o statutory technical	the section of the Council's public liability policy showing indemnity cover for any potential injury claims which might be brought to the Council to harm caused by wireless pulsed microwave from this 5G technology; it is alleged that a USA company is making provision for such claims in its accounts and wireless technology has the same signature worldwide. For example, a 5G technical r is beam-forming.	Please see attached document
4)		onmental Impact Assessments conducted by the or 5G masts.	Masts are rarely if ever classed as "Environmental Impact Development" and so the Council does not hold this information. Any details submitted in support of a planning application for a specific mast is already in the public domain, obtainable via the Council's webpage https://www.wigan.gov.uk/Resident/Planning-and-Building-Control/Planning/Search-planning-applications.aspx
