Hi both

Apologies if this has come to you via other channels – I'm still catching up!!

Mark Tilley sent an AQ update re the Clean air plan a few weeks ago to Cllrs. [REDACTED] has forwarded his objection to the planning app for South Hindley (see below)

Hello [REDACTED] thank you for the attached information on air pollution, what comes to mind is the serious concerns of the planning application on south Hindley near to the old Turner brothers site and surrounding area's

I can see from the map in the attachment Hindley green comes under the area of concern, this information is valuable to the rejection of this planning application

Can you please lodged my objections under Air pollution policy, thank you
