

I am writing on behalf of Groundsure to request further information on the Environmental Permits (Part B and A2) which you have previously sent us, found in the attachment.

We request the following information if available:

- 1) your reference for the permit,
- 2) the name and address of the permit holder,
- 3) the address for which the permit is granted,
- 4) the grid reference,
- 5) the date of issue,
- 6) the process undertaken, and
- 7) the current status of the permit.

*This information has previously been supplied in the past.*

Please see attached Excel document. The spreadsheet shows "information withheld" Due to the exemption under section 40(2) – Data protection, personal data of third parties.

Some information requested could identify the residential address of the permit holder and is therefore in our opinion classed as personal data of a third party.
