

POTHOLES

- (1)
- 1) Please could you provide a list of potholes reported by the public from 2020 – 2022 up to the latest date or the current month you're working on this request?
- Wigan Council doesn't identify carriageway defects as 'potholes' so we do not hold this information.
- (2) & (3)
- 2) Please could you provide a list of filled potholes that took places between 2020 – 2022 up to the latest date of information or the current month you're working on this request?
- Wigan Council doesn't identify carriageway defects as 'potholes', nor does it 'fill-in' potholes. However, the information provided is the details of all the highway carriageway defects that met the Council highway repairs policy and which were repaired in the period specified. Please see attached spreadsheet.
- 3) Please could you provide a list of costs allocated to each pothole filled between 2020 – 2022 up to the latest date of information or the current month you're working on this request?
