

Request

I please find out which are the top five earning car parks run by Wigan Council over the *last three years*. Could I have this data broken down by:

- car park site, how much money they have generated year by year in terms of revenue generated

Response

Information is exempt under Section 31, due to the potential exposure to criminal activity based on the collection of cash. The greater the potential for a disclosure to result in crime, the greater the public interest in maintaining the exemption. The victims of crime can be both organisations and individuals and there is public interest in protecting both from the impact of crime.

However, the total yearly amount of income can be found in the published data on the Wigan Council website.
