

I am writing to request details of LA-PPC and LA-IPPC processes regulated by Wigan Council under the Environmental Permitting (England & Wales) (Amendment) Regulations 2016. I have found your permit register at and was hoping you could confirm a few details for me?

1) Is the publicly available register found at the above link the most up-to-date and complete version (including Part B & A2 processes)?

[Please see attached PPC Register](#)

2) In addition, we would also like to request details of any enforcement notices issued relating to breaches of the terms of the above permits since our last update on 1st January 2018. Where none have been issued we would be grateful if you could confirm as such.

[No Enforcement Notices have been served on LA-PPC or LA-IPPC sites since January 2018.](#)

*We also require details of any sites designated as contaminated land under Part 2A of the Environmental Protection Act 1990.*

3) We require the address, grid reference, and site boundaries for all sites within your area that have been designated under Part 2A of the Environmental Protection Act 1990. If there are no such sites please could you confirm as such.
