

Request

It appears that a recent fun day event held on the Goose Green Cricket Club grounds is not listed on the spreadsheet (*we are in receipt of*). Can you please advise why not? Can you please provide any and all TEN's or other planning applications of any nature that cover the said event (date Sunday 10th July 2022).

Under what planning consent was this event requested. The planning consent is for use of the grounds as a cricket club!

Response

We hold no records of a temporary event notice issued for Sunday 10th July 2022 in respect of this premises.

A temporary event notice would not be required if the event did not involve, alcohol entertainment or late-night refreshment (*the supply of hot food or hot drink to the public for consumption on or off the premises, between 11pm and 5am*). A fun day seldom requires a temporary event notice unless it involves live music or recorded music or the supply of alcohol outside of the remit of their premises licence.

The event may have been carried out under the remit of their premises licence PRL0947 which authorises:

The sale by retail of alcohol for consumption ON and OFF the premises

Monday - Sunday - 12:00 to 21:00,
Cricket Season only:- April 1st to October 1st
