

## **Request**

Would it be possible, please, to provide me with a list of all the members enquiries and RICs put in by the late Paul Maiden during the time he was elected member for Hindley Green?

I do appreciate that you did supply what I asked for, however, not having asked for or seen a response to a FOI previously, I expected more detail, explaining what each members inquiry and RIC was about.

Could I ask for this additional detail now, please and also the outcome of each of the listed requests.

The spreadsheets have been redacted to remove information which might enable identification of an individual and, as such, is personal data, as defined by UK GDPR and the Data Protection Act 2018. Personal data can only be processed where there is a lawful basis to do so. As we do not have consent to share the personal data, it would breach the UK GDPR principles to release it to a third party unless there was a legitimate interest for doing so. There is no legitimate interest in releasing this information to the world at large, which is the effect of disclosing information under the FOI Act. We are therefore withholding the redacted information under Sections 40(2) and 40(3A)(a) of the Freedom of Information Act 2000.
