

In relation to parents being fined for taking their children out of school for holidays during term time, for each school year from September 1 2015 to present date - including where possible how many have been handed out during the current 2022/23 school year - please kindly provide data on the number of unauthorised absences, meaning days.

Further, in each school year from September 1 2015 to present date - including where possible how many have been handed out during the current 2022/23 school year - please provide data on the number of fines you have issued.

Further, in each school year from September 1 2015 to present date - including where possible how many have been handed out during the current 2022/23 school year - please provide the number of parents you have prosecuted for non-payment of said fines.

Further, please can you also break all of the above data down into primary and secondary schools.

*Please provide the information in the Excel spreadsheet template attached.*

Please see information on attached spreadsheet.

Data could not be fully obtained for academic years 2015/16, 2016/17, 2017/18 due to historic recording differing from existing processes.

The data within the spreadsheet relates specifically to parents, however it could be 1 or 2 parents who have received the fine per child.
