

**Request:**

I would be grateful if you would provide details of any NR&SWA Streetworks opening notices for works outside 7 Chalfont Drive Astley Tyldesley Manchester M29 7PU.

Damage has been caused to a BT frame & cover and I am wanting to claim for the repair costs against the responsible party. As the damage was not service-affecting, it may have been caused some years prior to discovery on 08/11/2022 so I would be grateful if you would check your records as far back as possible please. Streetview shows the box in 2009 but in 2022 it had been tarmacked over.

**Response:**

Please see accompanying spreadsheet which includes all works on Chalfont Drive our records go back to 2008.
