Request

I understand you use Liquid Logic, therefore the Council will not hold template documents but rather a variety of fields to be used by social workers for the purpose for example of recording minutes from CIN meetings.

I would like a copy/screenshot of the list/index that is accessible which displays the names of all the fields available.

Response

Type	Name
Form	Accident Incident Near Miss Reporting Form (ICS/Acc_Incident_Near_Miss_Rep)
Form	Adopters Bridging Expenses Claim Form (ICS/Adopt_Bridge_Exp_Claim_Form)
