

## Request

We are an Animal Microchip Database approved by DEFRA and we are looking for some contact information about your local Dog wardens & Rescue Centres so we have an accurate point of contact for stray needs and also to provide them with a welfare account with us .

- 1) Ideally we are wanting a list of all the dog wardens that operate under the Council and their contact details such as Name, Email address, Contact number & Address if applicable.
- 2) It would also be greatly appreciated if you could provide us with a list of postcodes or towns that fall under your Authority so we can better direct customers to the correct Warden/Approved persons
