

Request

1. How many incidents of anti-social behaviour were reported in 2022/23 where council tenants were the alleged perpetrators? Please advise both by number of incidents and by number of households accused of being responsible for at least one incident.
2. How many of the above incidents resulted in any penalty being imposed?
3. How many of the above incidents resulted in any warning being issued?
4. How many evictions for anti-social behaviour took place from 2022/23?

Response

594 reports naming Wigan Council as subject of complaint. Of these, 74 complaints were made by multiple persons so 520 households were named as being responsible.

No financial penalties imposed. Civil/ tenancy/ other powers used:

Civil Injunction: 6
Closure Orders: 21
Extension of Closure Orders: 11
Noise Abatement Notices: 8
NOSP's: 15

The reporting system does not currently allow us to differentiate between warnings sent to Council tenants and other tenure types. A total of 326 Advisory Warning letters were sent out during this period, however this figure will include some non-Council addresses

No evictions took place within this period
