

Request

Please provide details of the location of cleansing stations (provided under Section 86 of the Public Health Act 1936) within the Borough in order for duties under section 85 of the Public Health Act 1936 to be discharged.

Response

There are no permanent cleansing stations across our borough. A cleansing station would however be setup as an when required to support individual cases or circumstances, this type of station would only ever be set up on a temporary basis.
