

## Request

This request relates to uses of the call-in mechanism that forms part of the overview and scrutiny committee system.

If your authority has an overview and scrutiny system please answer the following:

For the past ten years, please confirm how many decisions taken by the council's cabinet/executive were available for call-in.

Please provide a table showing a breakdown of the following for each year since 2013.

- For each year please state how many call-ins there were.
- For each call-in please show which committee called them in, what the response was, the topic and provide a link to the relevant committee where the call was discussed.

## Response

I can confirm that Wigan Council does have an Overview and Scrutiny Committee system in place, along with the call in function.

All decisions that have been subject to the call in process from 2013 – 2023 are listed on the Council's 'Decisions' webpage, which has a date search function to return results for specific years. This webpage can be found via the following link:
