

I'm requesting information on any rent-prediction or rent-gathering algorithms used by the council.

- | | |
|---|--|
| 1) Please provide me a list of tools, either in-house or through a third-party agent, the council uses to: <ul style="list-style-type: none">• Analyse the cost of housing in the area• Predict a tenant's ability to pay rent• Facilitate a tenant paying their rent | Mobysoft Ltd – Rentsense to support/facilitate our rent collection offer |
| 2) I would also like a copy of the most recent risk assessment of any algorithms that are used. | N/A |
