

I would like the organisation to review my freedom of information request below, that's focused around contract data for services around facilities management specifically around the services below:

- | | |
|--|--|
| a) Food – Service contract that is focused around catering services. | a) Please see attached spreadsheet |
| b) General waste services contracts – The organisation's primary general waste service contract. | b) The Council uses its own Wigan Council Waste Services as the primary refuse collection service. |
| c) Laundry services - where clothes and linen can be washed and ironed. | c) There is no contract for laundry services |
