

Could you please provide the following information relating the use of SIMS (School Information Management System) in Secondary and Primary Schools.

- 1) Do any secondary schools funded by the council use SIMS (School Information Management System)? Yes
- 2) Do any primary schools funded by the council use SIMS (School Information Management System)? Yes
- 3) Since 1 January 2019, have any secondary schools funded by the council used the "Pronouns - Only Use at Schools" field? Information not held - you will need to contact schools directly for this information.
- 4) Since 1 January 2019, have any primary schools funded by the council used the "Pronouns - Only Use at Schools" field? Information not held - you will need to contact schools directly for this information.
- 5) Please provide a copy of Wigan Council's schools transgender guidelines and details of any review or amendments issued after the publication of the interim Cass Report in February 2022. We do not issue any guidelines but this should be **covered through** the safeguarding policy, anti-bullying policy and equality policy. We will consider issuing advice should further recommendations from the review be issued.
