- Contractor ~ J Hopkins
- Expiry date ~ 30/11/2022

Details of any new tenders will be published on 'The Chest' at <https://www.the-chest.org.uk>

- Service ~ Treatment - Organics - Food and green waste - First extension period taken up.
- Contractor ~ Brosters Environmental
- Expiry date ~ 01/11/2022

Treatment – Organics – Food and green waste Haulage and treatment of food and garden waste. The contractor is required to collect material each day (morning and afternoon) from our transfer station to ensure there is sufficient space to allow refuse collection vehicle to tip. This ranges from 2-9 collections per day depending on the season. The material is treated via in-vessel composting, then is later windrowed to mature prior to spreading on farmland. There are also contract management, quality and data reporting requirements.
