

I am writing to you under the Freedom of Information Act 2000 to request the following information. Specifically, I would like to request:

- 1) The total number of domestic visits (excluding commercial premises) to address mice and/or rat infestations in the last three years: (2020, 2021 and 2022)

Total number of visits booked;

	Mice	Rats Inside	Rats Outside
2020	3301	2176	2051
2021	3195	2187	2154
2022	2735	1980	1625

*also attached as Excel spreadsheet

- 2) The total amount spent on pest control service visits to address mice and/or rat infestations for domestic properties in the last three years: (2020, 2021 and 2022)

This is not reportable as officers deal with an array of pest types on a daily basis, and orders placed for supplies are mixed for the different pest types.

- 3) Please state how much you charge for rodent treatment for a domestic property (or if it is free), for householders that do not qualify for a discount:

£53 (up to 3 visits included)
